PART I. INTRODUCTION

Blue Shield of California (“Blue Shield”) will provide or arrange for the provision of services to eligible Subscribers and Dependents of the Contractholder in accordance with the terms, conditions, limitations, and exclusions of this Group Health Service Contract (“Contract”).

The EOC is included and made part of this Contract

PART II. DEFINITIONS

In addition to the provisions contained in the “Definitions” section of the Evidence of Coverage, the following provisions apply to this Contract:

Employee - (1) an individual engaged in the conduct of the business of the Employer and whose duties in such employment are performed at the Employer’s regular places of business. This individual is a permanent employee and works a normal workweek of an average of 30 hours per week over the course of a month. At the option of the Employer and elected prior to issuance of the Contract, an Employee may also include a permanent employee who works at least 20 hours per normal workweek for at least 50 percent of the weeks in the previous calendar quarter. An individual who works on a part-time, temporary, or substitute basis is not included in this definition (e.g., short-term employment).

Or (2), a sole proprietor or partner of a partnership engaged on a full-time basis, and who is included as an employee under a health benefit plan of the Employer. A sole proprietor or partner works an average of at least 30 hours per week over the course of a month in the Employer’s business; however, if elected by the Employer prior to issuance of the Contract, the definition will also include a sole proprietor or partner who works at least 20 hours per normal workweek for at least 50 percent of the weeks in the previous calendar quarter.

PART III. ELIGIBILITY

A. Employee Eligibility, Waiting Periods and Open Enrollment

In addition to the provisions contained in the Eligibility section of the Evidence of Coverage, the following provisions apply to this Contract:

1. The date of eligibility of Employees who enroll during the initial enrollment period shall be determined as follows:
 - a. Inasmuch as this Contract replaces a Contract between Blue Shield and the Employer, each individual in the employ of the Employer on the effective date of this Contract who was a Subscriber of Blue Shield by virtue of the Employer's previous Contract on the date immediately preceding the effective date of this Contract, who lives and/or works in the Plan Service Area is eligible on the effective date of this Contract.
 - b. Each individual, except as provided in paragraph a. above, shall be eligible to enroll on the first of the month following the completion of any applicable waiting period established by the Employer.
 - c. If associated Employers are added, the effective date of the amendment adding an associated Employer shall be treated as the effective date of this Contract for the purpose of determining the date of eligibility of the Employees of such Employer.
2. The date of eligibility of a former Employee, who has been re-employed, shall be determined as follows: The Employee's period of service prior to termination of employment shall be included in the determination of his date of eligibility, provided:
 - a. he has resumed active work within 6 months after such termination; or
 - b. if his previous employment was terminated due to entry into the Armed Forces, he has resumed active work within the time set by law for reinstatement of employment rights. However, there will be no waiting periods as prohibited by The Military & Veterans Code; or
 - c. if termination was due to disability, he has resumed active work within one month after ceasing to be disabled;otherwise he shall be considered as an Employee entering the employ of the Employer on the date he resumed work and shall be eligible on the date he completes the period of service specified in A.1.b.
3. If any class of Employees is not eligible under A.1., and if an Employee transfers from such ineligible class to an eligible class, he shall be considered as having entered the employ of the Employer on the date of such transfer. Service in an ineligible class shall not be included in the determination of the date of eligibility.
4. The Employer agrees to offer health Benefits coverage to all eligible Employees during the initial enrollment period and distribute information as set forth in Part IX., Contractholder Responsibility for Distribution and Notification Requirements. In addition, the Employer agrees to get the Employee's signed acknowledgment of an explicit written notice in bold type specifying that failure to elect coverage during the initial enrollment period permits the Plan to impose, at the time of the Employee's later decision to elect coverage, an exclusion from coverage for a period of 12 months, or at the Employer's next Open Enrollment Period, whichever is earlier, unless the Employee meets the criteria for a Special Enrollment Period as defined in the Evidence of Coverage. Blue Shield will not consider applications for earlier effective dates.
5. An Employee may transfer enrollment for himself or his Dependent(s) from another group health plan sponsored by the Employer to the health Plan covered by this Contract only during the Open Enrollment Period in November of each year. The effective date of Benefits for such Employee and Dependent(s) shall be the first day of each subsequent December. Submission of evidence of acceptability is not required when application is made during this Open Enrollment Period.
6. The Employer shall timely report any additions or terminations of Employees or Dependents so that retroactive Premiums adjustments are avoided and claims are not paid for ineligible individuals. However, if the Employer determines that it has made an administrative error in the processing of eligibility for an Employee or Dependent, Blue Shield will accept the retroactive changes subject to the following limitations:

PART III. ELIGIBILITY

- a. Blue Shield will accept enrollment of the Employee or Dependent retroactively for a maximum of 30 days, as long as Premiums are paid by the Employer for the entire retroactive enrollment period. If an Employee or Dependent is retroactively enrolled pursuant to this, and the Employee or Dependent received covered health care services during that retroactive period, Blue Shield will reimburse the Employee for payments made for Covered Services received in accordance with the rules of the EOC, minus the Member's Copayments or Coinsurance as stated in the EOC;
 - b. Blue Shield will accept termination/disenrollment of the Employee or Dependent retroactive for a maximum of 30 days and will refund appropriate Premiums paid for the retroactive termination period. In such case, Blue Shield reserves the right to request refund from the Employee for any payments made for services rendered during the retroactive termination period. In making a request for retroactive termination or disenrollment, Contractholder shall comply with all applicable state and federal law, including, but not limited to, the Patient Protection & Affordable Care Act and any related regulations.
7. The Employer agrees to comply with the requirements of Section 2708 of the Patient Protection & Affordable Care Act (Section 2708), which prohibits an employer from imposing a prohibited waiting period. "Waiting period" means a period that is required to pass before an otherwise eligible Employee will be able to enroll in coverage under the Group Contract. Specifically, Employer agrees:
- a. Any conditions of eligibility or waiting periods imposed on the eligible Employee will comply with the requirements of Section 2708 and California state law and any rules and regulations implementing those requirements.
 - b. Employer will notify Blue Shield if Employer imposes a waiting period on an eligible Employee that would exceed the time-period permitted by Section 2708.
 - c. The Employer must ensure that any orientation period that may be imposed by the Employer prior to the start of the waiting period is consistent with federal regulations. The Employer will notify Blue Shield of the Employee's eligibility for coverage after the orientation period.
 - d. Employer will notify Blue Shield if any changes are made regarding these representations.
 - e. Employer will hold Blue Shield harmless for any violation of the requirements of Section 2708 or California state law.

B. Associated Employers

Employees of the following listed Employers associated with the Employer as subsidiaries or affiliates are eligible for Benefits in accord with this Contract. For the purposes of this Contract only, service with any associated Employers shall be considered service with the Employer. The Employer may act for and on behalf of any associated Employers in all matters pertaining to this Contract, and every act done by, agreement made with, or notice given to the Employer shall bind all associated Employers.

C. Termination of Benefits

In addition to the provisions contained in the Termination of Benefits section of the EOC, the following provisions apply to this Contract:

1. The Benefits of a Subscriber shall cease on the first day of the month following the month in which the Subscriber retires, is pensioned, leaves voluntarily, or is dismissed from the employ of the Contractholder or otherwise ceases to be a member of a class eligible for coverage, unless a different date on which the Subscriber no longer meets the requirements for eligibility has been agreed to between Blue Shield and the Contractholder, except that:
 - a. if the Subscriber ceases active work because of a disability due to illness or bodily injury, or because of an approved leave of absence or temporary layoff, payment of Premiums for that Subscriber shall continue coverage in force in accordance with the Employer's policy regarding such coverage; or,
 - b. if the Employer is subject to the California Family Rights Act of 1991 and/or the Federal Family & Medical Leave Act of 1993, and the approved leave of absence is for family leave pursuant to such Acts, payment of Premiums for that Subscriber shall keep coverage in force for the duration(s) prescribed by the Acts. The Employer is solely responsible for notifying Employees of the availability and duration of family leaves.
2. With respect to a newborn child or a child placed for adoption, coverage will cease on the 31st day at 11:59 p.m. Pacific Time following the Dependent's effective date of coverage, except that coverage shall not cease if a written or electronic application for the addition of the Dependent is submitted to and received by Blue Shield within 60 days following the date of birth or placement for adoption.

D. Employer Eligibility/Participation Requirements and Contribution Requirements

1. The Employer will be eligible for this Contract if the Employer is an eligible Employer as herein defined and meets the following requirements set forth in subsections 2. and 3. below:
 - a. The Employer must have at least one eligible Employee.
 - b. The Employer agrees to offer health Benefits to 100% of its eligible Employees. Those Employees who waive coverage on the grounds that they have other group coverage are not counted as eligible Employees.
 - c. The Employer agrees to pay the required Premiums.
 - d. The Employer agrees to inform the eligible Employees and Dependents of the availability of coverage and distribute information as set forth in Part IX., Contractholder Responsibility for Distribution and Notification Requirements. In addition, the Employer agrees to inform the eligible Employees and Dependents that those not electing coverage must wait for a period of up to 12 months if they later decide to elect coverage. If the Employee or Dependent initially declines coverage, the Employer agrees to submit a written certification declining coverage signed by the Employee and Employer.
 - e. For Employers offering an HMO Plan, Employees and Dependents who are covered by this Contract work or reside in the Service Area of the Plan.
 - f. The Employer agrees that small business plans offered by Blue Shield of California cannot be paired or integrated with an employer-sponsored health reimbursement arrangement (HRA). However, Employer may offer the following HRAs:
 - (a) A retiree HRA (covering only retirees).
 - (b) An excerpted benefits HRA (an HRA that has a limited purpose and reimburses only certain benefits recognized as "HIPAA-excerpted benefits," such as limited scope vision benefits or dental benefits).
2. The Employer must meet the following participation requirements:
 - a. The Employer must enroll 100% of the eligible Employees if the Employer contribution is 100%.

PART III. ELIGIBILITY

- b. If the Employer contribution is not 100%, the Employer must enroll at least 65% of the total eligible Employees. This includes those enrolled under Blue Shield of California or any of its affiliated companies small group plan, excluding those who have certified that they are declining coverage because they are covered under another employer's health benefit plan or have coverage through a government program; and

The size of the Employer is determined annually. If after this Contract is issued the Employer does not meet the participation requirements, this Contract shall continue until the Contract anniversary following the date the Employer no longer meets the participation requirements.

Participation requirements are waived for Employers new to Blue Shield enrolling during the period of November 15 through December 15 with an effective date of January 1. On and after the first Contract anniversary, the Employer must meet the participation requirements as set forth in this section 2.

- 3. The Employer must meet the following contribution requirements:
 - a. The Employer must contribute either (1) a defined contribution of a minimum \$100 per Employee (or the cost of the total Employee Premiums, whichever is less), or (2) a minimum of 50% of the Employee Premiums, and
 - b. Payroll deductions are required.
- 4. The Group Health Service Contract will renew, in accordance with the Renewal of Group Health Service Contract section of the Evidence of Coverage, if the Employer meets and continues to meet all of the eligibility, participation, and contribution requirements set forth in subsections 1., 2., and 3. above.
- 5. If the Employer does not meet all of the eligibility, participation, and contribution requirements of subsections 1., 2., and 3. above, this Contract can be cancelled at the Contract anniversary following the date the Employer does not meet all of the eligibility, participation, and contribution requirements.

Cancellation for non-payment of Premiums or for fraud, misrepresentation, or omissions is subject to the requirements set forth in Part VII. B. and C.

PART IV. GROUP RENEWAL PROVISIONS

A. Advance Notification of Blue Shield's Intent to Renew the Group Health Service Contract

The Employer shall be notified by Blue Shield of its intent to renew this Group Health Service Contract at least 60 days prior to the proposed effective date of the renewal. However, this renewal advance notification is distinct from, and does not alter the notification periods specified in Part V. Premiums, Paragraph D., or in Part VIII. General Provisions, Paragraph D. Changes: Entire Contract.

B. Renewal of the Group Health Service Contract

Blue Shield will renew this Contract at the option of the Contractholder except in the following instances:

1. Contractholder violates a material contract provision relating to group contributions or group participation requirements as specified under Part III. D;
2. Contractholder fails to pay the required Premiums as specified under Part V. Premiums;
3. Contractholder commits fraud or other intentional misrepresentation of material fact;
4. Contractholder relocates outside of California;
5. Blue Shield ceases to offer a plan type purchased by the Contractholder;
6. Blue Shield ceases to offer health benefit plans in the state (withdrawal of all products).
7. Contractholder is an association and association membership ceases.

PART V. PREMIUMS

A. Premiums

The monthly Premiums for the Subscriber and any Dependents are shown on the Monthly Dues/Premiums Schedule page.

B. When And Where Payable

1. The first month's Premiums must be paid to Blue Shield by the effective date of this Contract and subsequent Premiums shall be prepaid in full by the same date of each succeeding month. No Member will be covered under this Contract until the first month's Premiums payment has been received by Blue Shield.
2. Premiums for Employees and/or Dependents who become eligible on a date other than the bill date are waived for the month during which eligibility for covered Benefits is attained. Premiums for Employees and/or Dependents whose eligibility for covered Benefits terminates on a date other than the bill date are due in full for the month during which eligibility is terminated.
3. All Premiums are payable by the Employer to Blue Shield of California. The payment of any Premiums shall not maintain the Benefits under this Contract in force beyond the date immediately preceding the next transmittal date except as otherwise provided in Part V. F.

C. The terms of this Contract or the Premiums payable therefor may be changed from time to time as set forth in Part VIII., D. Changes: Entire Contract.

D. The Employer shall remit to Blue Shield the amount specified in Part V. A. ("the Premiums"). If a Federal, State or any other taxing or licensing authority imposes upon Blue Shield any tax or fee on account of any of the Employer's health benefit plans that is not included in the Premiums, whether such tax or fee is based on Premiums, gross receipts, enrollment or any other basis, Blue Shield may amend the Contract to increase the Premiums by an amount sufficient to cover any such tax or fee rounded to the nearest cent. This amendment shall be effective as of the date stated in the notice, which shall not be earlier than the date of the imposition of such tax or fee, by mailing a postage prepaid notice of the amendment to the Employer at its address of record with Blue Shield at least 60 days before the effective date of the amendment. In the case of Federal excise taxes, Blue Shield may also amend the Premiums to include any increased Federal income taxes to Blue Shield associated with such Federal excise taxes.

E. If benefit amounts are changed due to a change in the terms of this Contract or if a tax or fee is levied under Part V. D., the Premiums charge therefore may be made, or the Premiums credit therefore may be given, as of the effective date of such change.

F. A grace period of 30 days to pay all delinquent Premiums and avoid cancellation will be granted for the payment of Premiums accruing other than those due on the effective date of this Contract, during which period this Contract shall continue in force, but the Employer shall be liable to Blue Shield for the payment of all Premiums accruing during the period the Contract continues in force during the grace period. Cancellation for non-payment of Premiums shall be in accordance with PART VII.B.

PART VI. INTER-PLAN ARRANGEMENTS (BLUECARD® PROGRAM AND OTHERS)

Out-of-Area Services

Blue Shield has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as Inter-Plan Arrangements. These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association. Whenever a Member accesses services outside of California, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements available to Members under this agreement are described generally below.

When Members access services outside of California, they may obtain care from participating health care providers that have a contractual agreement with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (Host Blue). In some instances, Members may obtain care from non-participating health care providers in the Host Blue geographic area that do not have a contractual agreement with the Host Blue. Blue Shield's payment practices in both instances are described below.

The Blue Shield Access+ HMO plan covers only limited health care services received outside of California. As used in this section, Out-of-Area Covered Health Care Services are restricted to Emergency Services, Urgent Services, and Out-of-Area Follow-up Care obtained outside of California. Any other services will not be covered when processed through an Inter-Plan Arrangement, unless authorized by Blue Shield.

BlueCard® Program

The BlueCard® Program is an Inter-Plan Arrangement. Under this arrangement, when Members access Out-of-Area Covered Health Care Services within the geographic area served by a Host Blue, Blue Shield will remain responsible for fulfilling our contractual obligations. However, the Host Blue will be responsible for contracting and handling substantially all interactions with its participating providers.

The financial terms of the BlueCard Program are described generally below.

Liability Calculation Method Per Claim

Unless subject to a fixed dollar copayment, the calculation of Member liability on claims for Out-of-Area Covered Health Care Services processed through the BlueCard Program will be based on the lower of the provider's billed charges or the negotiated price made available to Blue Shield by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's health care provider contracts. The negotiated price made available to Blue Shield by the Host Blue may be represented by one of the following:

- (i) an actual price. An actual price is a negotiated rate of payment in effect at the time a claim is processed, without any other increases or decreases, or
- (ii) an estimated price. An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced, or increased by a percentage to take into account certain payments negotiated with the provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, provider refunds not applied on a claim-specific basis, retrospective settlements, and performance-related bonuses or incentives; or
- (iii) an average price. An average price is a percentage of billed charges for Out-of-Area Covered Health Care Services in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its health care providers or a similar classification of its providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

The Host Blue determines whether or not it will use an actual price, an estimated price, or an average price. The use of estimated or average pricing may result in a difference (positive or negative) between the price Blue Shield pays on a specific claim and the actual amount the Host Blue pays to the provider. However, the BlueCard Program requires that the amount paid by the Member is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims.

PART VI. INTER-PLAN ARRANGEMENTS (BLUECARD® PROGRAM AND OTHERS)

Return of Overpayments

Under the BlueCard Program, recoveries of overpayments from a Host Blue or its participating and non-participating providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, provider/hospital bill audits, credit balance audits, utilization review refunds, and unsolicited refunds. Recoveries will be applied in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to Blue Shield, they will be credited to the Employer's account. In some cases, the Host Blue will engage a third party to assist in identification or collection of recovery amounts. The fees of such a third party may be charged to the Employer's account as a percentage of the recovery.

Inter-Plan Arrangements: Federal/State Taxes/Surcharges/Fees

In some instances, federal or state laws or regulations may impose a surcharge, tax, or other fee that applies to insured accounts. If applicable, Blue Shield will include any such surcharge, tax, or other fee in determining your premium.

Non-Participating Providers Outside of California

When Out-of-Area Covered Health Care Services are received from non-participating providers outside of California, but within the BlueCard Service Area, the amount(s) a Member pays for such services will generally be based on either the Host Blue's non-participating provider local payment or the pricing arrangements required by applicable state law. In these situations, the Member may be responsible for the difference between the amount that the non-participating provider bills and the payment Blue Shield will make for the Out-of-Area Covered Health Care Services as set forth in this paragraph.

Claims for covered Emergency Services are paid based on the Allowed Charges as defined in the EOC.

Blue Shield Global Core

If Members are outside the BlueCard Service Area, they may be able to take advantage of Blue Shield Global Core when accessing Out-of-Area Covered Health Care Services. Blue Shield Global Core is unlike the BlueCard Program available in the BlueCard Service Area. Although Blue Shield Global Core assists Members with accessing a network of inpatient, outpatient, and professional providers, the network is not served by a Host Blue. As such, when Members receive care from providers outside the BlueCard Service Area, Members will typically have to pay the providers and submit the claims themselves to obtain reimbursement for these services. Details for Blue Shield Global Core claim submission are provided in the *Inter-Plan Arrangements* section of the EOC.

PART VII. CANCELLATION/REINSTATEMENT/GRACE PERIOD

A. Cancellation Without Cause

The Employer may cancel this Contract at any time by written notice delivered or mailed to Blue Shield, effective on receipt or on such later date as specified in the notice.

B. Cancellation for Non-Payment of Dues/Premiums

Blue Shield may cancel this Contract for non-payment of Premiums. If Premiums are not received when due, coverage will end 30 days after the date for which Premiums are due. The Employer will be liable for all Premiums accrued while this Contract continues in force including those accrued during the 30-day grace period. In such case, a Notice Confirming Termination of Coverage will be mailed to the Employer by Blue Shield. A new application for coverage will be required by the Employer and a new Contract will be issued only upon demonstration that the Employer meets all underwriting requirements at the time of application.

C. Cancellation/Rescission for Fraud, Intentional Misrepresentations of Material Fact

Blue Shield may cancel or rescind this Contract within 24 months following issuance for fraud or intentional misrepresentation of material fact by the Employer; or with respect to coverage of Employees or Dependents, for fraud or intentional misrepresentation of material fact by the Employee, Dependent, or their representative. Fraud or intentional misrepresentations of material fact on an application may, at the discretion of Blue Shield, result in the cancellation or rescission of this Contract. A rescission voids the Contract retroactively as if it was never effective; Blue Shield will provide written notice prior to any rescission.

D. Grace Period

The Employer shall be entitled to a grace period of 30 days for payment of Premiums, as described in PART V.F. hereof. If during a Premiums grace period written notice is given by the Employer to Blue Shield that the Contract or (subject to the consent of Blue Shield) any part of the Contract is to be discontinued before the expiration date of the grace period, the Contract or such part shall be discontinued as of the date specified by the Employer or the date of receipt of such written notice by Blue Shield, whichever is the later date. The Employer shall be liable to Blue Shield for the full month's payment of Premiums if discontinuance of coverage occurs on or after the 15th of the month. If discontinuance of coverage occurs prior to the 15th of the month then Premium payment will be waived and refunded to the Employer.

E. Payment or Refund of Dues/Premiums Upon Cancellation

In the event of cancellation, the Employer shall promptly pay any earned Premiums which have not previously been paid. Blue Shield shall within 30 days of cancellation (1) return to the Employer the amount of prepaid Premiums, if any, that Blue Shield determines have not been earned as of the effective date of cancellation, and (2) provide Benefits of the Plan for services incurred during the time coverage was in effect up to and including the effective date of cancellation.

F. Termination of Benefits

No Benefits shall be provided for services rendered after the effective date of cancellation, except as specifically provided in the Group Continuation of Coverage and Extension of Benefits sections of the Evidence of Coverage.

In the event this Contract is cancelled for any reason, including but not limited to for non-payment of Premiums, no further Benefits will be provided after cancellation unless the Member is a registered Inpatient or is undergoing treatment for an ongoing condition and obtains an extension of Benefits in accordance with the Extension of Benefits section of the Evidence of Coverage.

G. Employer to Provide Subscribers with Notice Confirming Termination of Coverage

If this Contract is rescinded, or cancelled by either party, the Employer shall notify the Subscribers. If rescinded or cancelled by Blue Shield, the Employer shall promptly mail a copy of Blue Shield's Notice Confirming Termination of Coverage to each Subscriber and provide Blue Shield proof of such mailing and the date thereof.

PART VII. CANCELLATION/REINSTATEMENT/GRACE PERIOD

PART VIII. GENERAL PROVISIONS

In addition to the provisions contained in the EOC, the following provisions apply to this Contract:

A. Choice of Providers

Blue Shield has established a network of primary care and specialty Physicians, Hospitals, Participating Hospice Agencies, and Non-Physician Health Care Practitioners to provide Covered Services to Members. A Member must obtain or receive approval for all Covered Services from his Primary Care Physician. Each Subscriber must select a Primary Care Physician for himself and each of his Dependents from the list of Primary Care Physicians in the HMO Physician and Hospital Directory. The Physician and Hospital Directory will be given to Members at the time of enrollment. A Member's Primary Care Physician will be accessible to the Member on a 24-hour-a-day, 7-day-a-week basis, or will make appropriate arrangements to assure coverage. Emergency Services will be provided on a 24-hour-a-day, 7-day-a-week basis by all Plan Hospitals. The list of Providers in the Physician and Hospital Directory includes the location and phone numbers of all Primary Care Physicians, Plan Hospitals, and Participating Hospice Agencies in the Primary Care Physician Service Area. Members should contact Member Services for information on Plan Non-Physician Health Care Practitioners in their Primary Care Physician Service Area.

Blue Shield shall provide written notice to the Employer within a reasonable period of time of any termination or breach of Contract of a Plan Provider if such termination or breach may materially affect the Employer or its Subscribers.

Upon termination of a Plan Provider Contract, Blue Shield shall be liable for Benefits rendered by such provider to an eligible Member (other than for Copayments) until the authorized Services being rendered to the Member by the former Plan Provider are completed, unless Blue Shield makes reasonable and medically appropriate provision for the assumption of such Benefits by another Plan Provider.

B. Use of Masculine Pronoun

Whenever a masculine pronoun is used in this Contract, it shall include the feminine gender unless the context clearly indicates otherwise.

C. Workers' Compensation

This Contract is not in lieu of, and shall not affect, any requirements for coverage by Workers' Compensation Insurance.

D. Changes: Entire Contract

This Contract, including appendices, attachments, or other documents incorporated by reference constitutes the entire agreement between the parties, and any statement made by the Employer or by any Subscriber shall, in the absence of fraud, be deemed a representation and not a warranty.

The terms of this Contract, the Premiums payable therefor, and the benefits of this Plan, including but not limited to Covered Services, Deductible, Copayment and annual Out-of-Pocket Maximum amounts, may be changed from time to time. Blue Shield will provide at least 60 days' written notice of any such change, and these changes shall not become effective until at least 60 days after written notice of such change is delivered or mailed to the Employer's last address as shown on the records of Blue Shield. Benefits for services furnished on or after the effective date of any Benefit modification shall be provided based on the modification. No change in this Contract shall be valid unless approved by an executive officer of Blue Shield and a written endorsement is issued. No other representative has authority to change this Contract or to waive any of its provisions.

Notice of changes in Benefits, and any documents that may be delivered to the Employer or the Employer's representative for the purpose of informing Members of the details of their coverage under this Contract, will be distributed by the Employer or his representative as set forth in Part IX., Contractholder Responsibility for Distribution and Notification Requirements.

PART VIII. GENERAL PROVISIONS

E. Statutory Requirements

This Contract is subject to the requirements of the Knox-Keene Health Care Service Plan Act, Chapter 2.2 of Division 2 of the California Health and Safety Code and Title 28 of the California Code of Regulations. Any provision required to be in this Contract by reason of the Act or Regulations shall bind Blue Shield whether or not such provision is actually included in this Contract. In addition, this Contract is subject to applicable state and federal statutes and regulations, which may include the Employee Retirement Income Security Act, Health Insurance Portability and Accountability Act ("HIPAA"), the Patient Protection and Affordable Care Act ("PPACA"), and applicable Centers for Medicare and Medicaid Services ("CMS") requirements. Any provision required to be in this Contract by reason of such state and federal statutes shall bind the Group and Blue Shield whether or not such provision is actually included in this Contract.

F. Legal Process

Legal process or service upon Blue Shield must be served upon a corporate officer of Blue Shield.

G. Time of Commencement or Termination

Wherever this Contract provides for a date of commencement or termination of any part or all of this Contract, commencement or termination shall be effective as of 12:01 a.m. Pacific Time of the commencement date and as of 11:59 p.m. Pacific Time of the termination date.

H. Records and Information to be Furnished

The Employer shall furnish Blue Shield with such information as Blue Shield may require to enable it to administer this Plan, to determine the Premiums and to enable it to perform this Contract. CMS specifically requires Blue Shield to obtain the following information: Social Security numbers for Subscribers and dependents over forty-five (45) years of age, Subscriber employment status, Employer identification number and Employer size. Failure to provide any such information required by this Section may result in immediate Cancellation of this Contract.

I. Inquiries and Complaints

Inquiries concerning any problems that may develop in the administration of this Contract should be directed to the Plan at the address or telephone number indicated on page GC-1 of this Contract. (See also the Member Services section of the EOC.)

J. Confidentiality

The Contractholder shall comply with all applicable state and federal laws regarding the privacy and confidentiality of the personal and health information of Subscribers and Dependents. The Contractholder shall not require the Blue Shield to release the personal and health information of individual Subscribers or Dependents without written authorization from the Subscriber, unless permitted by law. No information may be disclosed by either party in violation of Cal. Civ. Code §§ 56, et seq. At the request of the Contractholder, Blue Shield may provide aggregate, encrypted, or encoded data regarding Subscribers and Dependents to the Contractholder, unless such data would explicitly or implicitly identify specific Subscribers or Dependents. To the extent the Contractholder receives, maintains, or transmits personal or health information of Subscribers or Dependents electronically, the Contractholder shall comply with all state and federal laws relating to the protection of such information including, but not limited to, the Health Insurance Portability and Accountability Act (HIPAA) provisions on security and confidentiality.

K. ERISA Plan Administrator

If the Contractholder's Plan is governed by ERISA (29 USC Sections 1001, et seq.), it is understood that Blue Shield is not the plan administrator for the purposes of ERISA. The plan administrator is the Contractholder.

PART IX. CONTRACTHOLDER RESPONSIBILITY FOR DISTRIBUTION AND NOTIFICATION REQUIREMENTS

The Contractholder has various distribution of notices and Member materials and other notification requirements under this Contract. Some of the major Contractholder distribution and notification requirements are summarized below; however, this is a summary only and is not to be construed as an all-inclusive list.

A. Obtaining Declinations or Waivers of Coverage

All eligible Employees will be offered health benefits coverage during the initial and subsequent enrollment periods. If an Employee elects to decline or waive coverage, the Employer is responsible for obtaining the Employee's signed acknowledgment of receipt of an explicit written notice in bold type specifying that failure to elect coverage during the Open Enrollment Period permits Blue Shield to impose an exclusion from coverage for a period of 12 months or at the Employer's next Open Enrollment Period, whichever is earlier, if the Employee later decides to elect coverage.

B. Distribution of Summary of Benefits and Coverage (SBC)

A summary of benefits and coverage (SBC) will be issued by Blue Shield for all eligible Employees and Dependents. The Employer is solely responsible for the timely distribution of a complete SBC for each benefit plan offered. The Employer will distribute the SBCs free of charge to Members and prospective Members as required by applicable federal law and regulations.

The Employer shall distribute the SBCs in a manner which complies with applicable federal law and regulations. If the Employer does not distribute paper SBCs, then the Employer will ensure that any alternative or electronic distribution method used complies with applicable federal requirements.

If a material modification is made to the Employer's group health plan that impacts the SBC, other than at the time of renewal, then notice of the material change, as provided by Blue Shield, will be distributed by the Employer to the Subscriber and any Dependents no later than sixty (60) days prior to the date on which the modification will become effective. The notice shall be distributed in a manner that complies with applicable federal requirements.

In the event that the Employer fails to distribute SBCs to Members or prospective Members as required herein, Blue Shield will, after notice to the Employer, distribute SBCs as necessary to comply with applicable federal statutes and regulations. In such case, the Employer agrees to reimburse Blue Shield for the reasonable costs incurred by Blue Shield to generate and distribute the SBCs.

C. Distribution of Member ID Cards and EOC Booklets

1. Member ID Cards

Member identification cards will be issued by Blue Shield for all Subscribers and will either be sent to the Contractholder for distribution to the Subscribers, or sent directly to the Subscribers, depending on the Contractholder's instructions.

2. Evidence of Coverage Booklets

An Evidence of Coverage (EOC) which summarizes the Benefits of this Contract and how to obtain Covered Services will be issued by Blue Shield for all Subscribers. Blue Shield will send the EOC to the Contractholder, and, the Contractholder is responsible for distributing the EOC to Subscribers whether in printed, hardcopy or electronic form.

EOCs will be provided to the Contractholder in electronic form (such as by Compact Disk (CD) or posted on Blue Shield's employer website) or in paper hard copy form. If Contractholder receives the EOC in electronic form, Contractholder is not authorized to modify or alter in any way the text or the formatting of the electronic EOC file. Blue Shield assumes no responsibility for any changes in text or formatting that may occur in the EOC after it is provided to Contractholder. If Contractholder receives the EOC in hard copy form, Contractholder will notify Subscribers that printed hard copies of the EOC are available and will promptly distribute to Subscribers.

PART IX. CONTRACTHOLDER RESPONSIBILITY FOR DISTRIBUTION AND NOTIFICATION REQUIREMENTS

Contractholder may ensure electronic distribution of the EOC to Subscribers by one of the following methods: (1) by posting the EOC in a read-only format on an intranet site which is accessed by Employees of Contractholder; (2) by emailing the EOC directly to Subscribers; or (3) by providing Subscribers with Blue Shield's instructions for accessing the EOC from the Blue Shield website.

If Contractholder posts the electronic EOC on its intranet site, it shall do so in such a way so as to permit Employees of Contractholder to download and print a complete and accurate copy of the EOC. Contractholder will notify Employees enrolled with Blue Shield that the EOC for their plan is available to review, download and print from Contractholder's intranet site, and will provide Subscribers with reasonable and appropriate instructions by which to access and print the document from its intranet site.

Contractholder will provide a hard copy of the EOC to an Employee upon request. If Blue Shield receives an inquiry from an Employee of the Contractholder regarding obtaining a copy of the EOC, Blue Shield will refer that individual to Contractholder's human resources benefits staff with instructions that a copy of the EOC is available from Contractholder on request.

In the event Blue Shield reasonably concludes that Contractholder is either using the electronic EOC in a matter not permitted by this Agreement or is not providing Subscribers with access to the EOC in accordance herewith, then Blue Shield will print copies of the EOC, and Contractholder will cooperate with Blue Shield to ensure that printed copies of the EOC are timely provided to all Employees of Contractholder enrolled with Blue Shield. Contractholder agrees to reimburse Blue Shield for the reasonable cost of printing and delivering the EOC documents.

D. Notice of Cancellation for Nonpayment of Premiums and Grace Period or Notice of Cancellation, Rescission or Nonrenewal

Upon receipt of a Notice of Cancellation for Nonpayment of Premiums and Grace Period or a Notice of Cancellation, Rescission or Nonrenewal from the Plan, the Employer shall promptly send any such Notice to each subscriber in a manner which complies with applicable law.

E. Notification of Cancellation to Subscribers

If this Contract is rescinded, or cancelled by either party, the Employer shall notify the Subscribers. If rescinded or cancelled by Blue Shield, the Employer shall promptly mail a copy of Blue Shield's notice of the rescission or cancellation to each Subscriber and provide Blue Shield proof of such mailing and the date thereof.

F. Notification of COBRA and Cal-COBRA Coverage Option and Other COBRA/Cal-COBRA Notices

The following provisions are applicable only when the Contractholder is subject to Title X. of the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended or the California Continuation Benefits Replacement Act (Cal-COBRA). See the Continuation of Group Coverage and Extension of Benefits sections of the Evidence of Coverage for additional information.

1. COBRA

Blue Shield is not the plan administrator or plan sponsor, as those terms are defined by ERISA, for any purpose, including but not limited to COBRA, and has no responsibility for the Contractholder's COBRA administration obligations

To the extent required by COBRA, and upon timely receipt of Premiums and proper enrollment forms, Blue Shield will continue the group coverage to qualified beneficiaries after the period that their coverage would normally terminate under the Contract.

Blue Shield will not be responsible for determining whether a Subscriber or Dependent is eligible to receive continuation coverage; such determination is based on the requirements of COBRA and the procedures established by the Contractholder or its COBRA administrator.

PART IX. CONTRACTHOLDER RESPONSIBILITY FOR DISTRIBUTION AND NOTIFICATION REQUIREMENTS

If the Contractholder or any Subscriber or Dependent fails to meet its obligations under the Contract and COBRA, Blue Shield shall not be liable for any claims of the Subscriber or Dependent after his/her termination of coverage, except as expressly provided in other applicable provisions of the Contract.

The Contractholder is solely responsible for all aspects of the administration of Title X. of the Consolidated Omnibus Budget Reconciliation Act (COBRA) and any amendments with respect to the group health coverage provided by this Contract. The obligations of the Contractholder, in the event that federal continuation of coverage requirements of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, apply to the Contractholder, are as set forth below:

- a. Contractholder or its COBRA administrator will complete and timely provide all notices and enrollment forms to all eligible Subscribers and Dependents (including the initial notice of COBRA rights) required under COBRA.
- b. Contractholder or its COBRA administrator will establish procedures to verify eligibility for COBRA coverage and receive COBRA election forms from Qualified Beneficiaries.
- c. The Contractholder will notify its COBRA administrator (or the Plan administrator if the Contractholder does not have a COBRA administrator) of the Subscriber's death, termination, or reduction of hours of employment, or of the Subscriber's Medicare entitlement, or the Employer's (Contractholder's) filing for reorganization under Title XI, United States Code.
- d. Contractholder or its COBRA administrator will establish a determination date upon which applicable COBRA rates may be annually changed and determine the applicable premium amount for qualified COBRA beneficiaries in accordance with its Contract with Blue Shield, adding the 2% administrative fee permitted by COBRA.
- e. Contractholder or its COBRA administrator will bill and collect premiums from COBRA Qualified Beneficiaries, and provide timely notification of nonpayment of COBRA continuation coverage premiums, per the terms of the Contract and the COBRA law.
- f. Contractholder or its COBRA administrator will remit premiums to Blue Shield on behalf of the COBRA qualified beneficiary until Blue Shield receives notice from the Contractholder that such beneficiary is no longer entitled to COBRA coverage.
- g. Contractholder or its COBRA administrator will provide notification of continuation of coverage rights to the extent required by COBRA or any other federal or state laws as applicable, on termination of COBRA coverage. The Contractholder or its COBRA administrator is responsible for notifying COBRA enrollees of their right to possibly continue coverage under Cal-COBRA at least 90 calendar days before their COBRA coverage will end.
- h. Contractholder or its COBRA administrator will inform eligible Subscribers and Dependents of changes in the COBRA law as they occur, including an explanation of the impact of these changes upon COBRA coverage.
- i. The Contractholder agrees to assume responsibility for any and all COBRA violations resulting from the failure of the Contractholder or its COBRA administrator to perform its COBRA administration responsibilities.

2. Cal-COBRA

Contractholders subject to the California Continuation Benefits Replacement Act (Cal-COBRA) are responsible for notifying Blue Shield in writing within 30 days when the Contractholder becomes subject to Section 4980B of the United States Internal Revenue Code or Chapter 18 of the Employee Retirement Income Security Act, 29 U.S.C. Section 1161 et seq.

PART IX. CONTRACTHOLDER RESPONSIBILITY FOR DISTRIBUTION AND NOTIFICATION REQUIREMENTS

Contractholders subject to the California Continuation Benefits Replacement Act (Cal-COBRA) are responsible for notifying Blue Shield in writing of the Subscriber's termination or reduction in hours of employment within 30 days of the Qualifying Event.

Summary of Benefits

Platinum Access+ HMO® 0/30 OffEx

This Summary of Benefits shows the amount you will pay for Covered Services under this Blue Shield of California benefit Plan. It is only a summary and it is part of the contract for health care coverage, called the Evidence of Coverage (EOC).¹ Please read both documents carefully for details.

Provider Network:

Access+ HMO Network

This benefit Plan uses a specific network of Health Care Providers, called the Access+ HMO provider network. Medical Groups, Independent Practice Associations (IPAs), and Physicians in this network are called Participating Providers. You must select a Primary Care Physician from this network to provide your primary care and help you access services, but there are some exceptions. Please review your Evidence of Coverage for details about how to access care under this Plan. You can find Participating Providers in this network at blueshieldca.com.

Notes

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this benefit Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Defined terms are in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the benefit Plan.

If this benefit Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Your payment for services from "Other Providers." You will pay the Copayment or Coinsurance applicable to Participating Providers for Covered Services received from Other Providers. However, Other Providers do not have a contract to provide health care services to Members and so are not Participating Providers. Therefore, you will also pay all charges above the Allowable Amount. This out-of-pocket expense can be significant.

4 Calendar Year Out-of-Pocket Maximum (OOPM):

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges above a Benefit maximum.

Essential health benefits count towards the OOPM.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

5 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example,

Notes

you may owe an office visit Copayment in addition to an allergy serum Copayment when you visit the doctor for an allergy shot.

6 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

7 Outpatient Prescription Drug Coverage:

Medicare Part D-creditable coverage-

This benefit Plan's prescription drug coverage is on average equivalent to or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because this benefit plan's prescription drug coverage is creditable, you do not have to enroll in Medicare Part D while you maintain this coverage; however, you should be aware that if you have a later break in this coverage of 63 days or more before enrolling in Medicare Part D you could be subject to payment of higher Medicare Part D premiums.

8 Outpatient Prescription Drug Coverage:

Brand Drug coverage when a Generic Drug is available. If you, the Physician, or Health Care Provider, select a Brand Drug when a Generic Drug equivalent is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic Drug equivalent plus the tier 1 Copayment or Coinsurance. This difference in cost will not count towards any Calendar Year pharmacy Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum.

Request for Medical Necessity Review. If you or your Physician believes a Brand Drug is Medically Necessary, either person may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug tier Member payment.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply with your approval. When this occurs, the Copayment or Coinsurance will be pro-rated.

9 Pediatric Dental Coverage:

Pediatric dental benefits are provided through Blue Shield's Dental Plan Administrator (DPA).

Orthodontic Covered Services. The Copayment or Coinsurance for Medically Necessary orthodontic Covered Services applies to a course of treatment even if it extends beyond a Calendar Year. This applies as long as the Member remains enrolled in the Plan.

10 Pediatric Vision Coverage:

Pediatric vision benefits are provided through Blue Shield's Vision Plan Administrator (VPA).

Coverage for frames. If frames are selected that are more expensive than the Allowable Amount established for frames under this Benefit, you pay the difference between the Allowable Amount and the provider's charge.

"Collection frames" are covered with no Member payment from Participating Providers. Retail chain Participating Providers do not usually display the frames as "collection," but a comparable selection of frames is maintained.

"Non-collection frames" are covered up to an Allowable Amount of \$150; however, if the Participating Provider uses:

- wholesale pricing, then the Allowable Amount will be up to \$99.06.
- warehouse pricing, then the Allowable Amount will be up to \$103.64.

Participating Providers using wholesale pricing are identified in the provider directory.

Notes

Benefit Plans may be modified to ensure compliance with State and Federal requirements.

PENDING REGULATORY APPROVAL

Introduction to the Blue Shield of California Health Plan

The Platinum Access+ HMO® 0/30 OffEx offers a wide choice of Physicians, Hospitals and Non-Physician Health Care Practitioners and includes special features such as Access+ Specialist and Access+ Satisfaction.

This Blue Shield of California (Blue Shield) Evidence of Coverage describes the health care coverage that is provided under the Group Health Service Contract between Blue Shield and the Contractholder (Employer). A Summary of Benefits is provided with, and is incorporated as part of, this Evidence of Coverage.

Please read this Evidence of Coverage and Summary of Benefits carefully. Together they explain which services are covered and which are excluded. They also contain information about the role of the Primary Care Physician in the coordination and authorization of Covered Services and Member responsibilities such as payment of Copayments, Coinsurance and Deductibles.

Capitalized terms in this Evidence of Coverage have a special meaning. Please see the *Definitions* section for a clear understanding of these terms. Members may contact Customer Service with questions about their Benefits. Contact information can be found on the back page of this Evidence of Coverage.

How to Use This Health Plan

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

Selecting a Primary Care Physician

Each Member must select a general practitioner, family practitioner, internist, obstetrician/gynecologist, or pediatrician as their Primary Care Physician at the time of enrollment. Individual Family members must also designate a Primary Care Physician, but each may select a different provider as their Primary Care Physician. A list of Blue Shield Access+ HMO OffEx Providers is available online at www.blueshieldca.com. Members may

also call Customer Service at the number provided on the back page of this Evidence of Coverage for assistance in selecting a Primary Care Physician.

The Member's Primary Care Physician must be located sufficiently close to the Member's home or work address to ensure reasonable access to care, as determined by Blue Shield. If the Member does not select a Primary Care Physician at the time of enrollment, Blue Shield will designate a Primary Care Physician and the Member will be notified. This designation will remain in effect until the Member requests a change.

A Primary Care Physician must also be selected for a newborn or child placed for adoption within 31 days from the date of birth or placement for adoption. The selection may be made prior to the birth or placement for adoption and a pediatrician may be selected as the Primary Care Physician. For the month of birth, the Primary Care Physician must be in the same Medical Group or Independent Practice Association (IPA) as the mother's Primary Care Physician when the newborn is the natural child of the mother. If the mother of the newborn is not enrolled as a Member or if the child has been placed with the Subscriber for adoption, the Primary Care Physician selected must be a Physician in the same Medical Group or IPA as the Subscriber. If a Primary Care Physician is not selected for the child, Blue Shield will designate a Primary Care Physician from the same Medical Group or IPA as the natural mother or the Subscriber. This designation will remain in effect for the first calendar month during which the birth or placement for adoption occurred.

To change the Primary Care Physician for the child after the first month, see the section below on *Changing Primary Care Physicians or Designated Medical Group or IPA*.

The child must be enrolled with Blue Shield to continue coverage beyond the first 31 days from the date of birth or placement for adoption. See the *Eligibility and Enrollment* section for additional information.

Primary Care Physician Relationship

The Physician-patient relationship is an important element of an HMO Plan. The Member's Primary

Care Physician will make every effort to ensure that all Medically Necessary and appropriate professional services are provided in a manner compatible with the Member's wishes. If the Member and Primary Care Physician fail to establish a satisfactory relationship or disagree on a recommended course of treatment, the Member may contact Customer Service at the number provided on the back page of this Evidence of Coverage for assistance in selecting a new Primary Care Physician.

If a Member is not able to establish a satisfactory relationship with his or her Primary Care Physician, Blue Shield will provide access to other available Primary Care Physicians.

Role of the Primary Care Physician

The Primary Care Physician chosen by the Member at the time of enrollment will coordinate all Covered Services including primary care, preventive services, routine health problems, consultations with Plan Specialists (except as provided under Obstetrical/Gynecological Physician services, Access+ Specialist, and Mental Health, Behavioral Health, and Substance Use Disorder Services), Hospice admission through a Participating Hospice Agency, Emergency Services, Urgent Services and Hospital admission. The Primary Care Physician will also manage prior authorization when needed.

Because Physicians and other Plan Non-Physician Health Care Practitioners set aside time for scheduled appointments, the Member should notify the provider's office within 24 hours if unable to keep an appointment. Some offices may charge a fee (not to exceed the Member's Copayment or Coinsurance) unless the missed appointment was due to an emergency situation or 24-hour advance notice is provided.

Obstetrical/Gynecological (OB/GYN) Physician Services

A female Member may arrange for obstetrical and/or gynecological (OB/GYN) Covered Services by an obstetrician/gynecologist or family practice Physician who is not her designated Primary Care Physician without a referral from the Primary Care Physician or Medical Group/IPA.

However, the obstetrician/gynecologist or family practice Physician must be in the same Medical Group/IPA as the Member's Primary Care Physician.

Obstetrical and gynecological services are defined as Physician services related to:

- 1) prenatal, perinatal and postnatal (pregnancy) care,
- 2) diagnose and treatment of disorders of the female reproductive system and genitalia,
- 3) treatment of disorders of the breast,
- 4) routine annual gynecological/well-woman examinations.

Obstetrical/Gynecological Physician services are separate from the Access+ Specialist feature described later in this section.

Referral to Specialty Services

Although self-referral to Plan Specialists is available through the Access+ Specialist feature, Blue Shield encourages Members to receive specialty services through a referral from their Primary Care Physician.

When the Primary Care Physician determines that specialty services, including laboratory and X-ray, are Medically Necessary, he or she will initiate a referral to a designated Plan Provider and request necessary authorizations. The Primary Care Physician will generally refer the Member to a Specialist or other Non-Physician Health Care Practitioner within the same Medical Group/IPA. The Specialist or other Non-Physician Health Care Practitioner will send a report to the Primary Care Physician after the consultation so that the Member's medical record is complete.

In the event no Plan Provider is available to perform the needed services, the Primary Care Physician will refer the Member to a non-Plan Provider after obtaining authorization. Specialty services are subject to all benefit and eligibility provisions, exclusions and limitations described in this Evidence of Coverage.

See the *Mental Health, Behavioral Health, and Substance Use Disorder Services* section for information regarding Mental Health Services, Behav-

ioral Health Treatment, and Substance Use Disorder Services.

Role of the Medical Group or IPA

Blue Shield Access+ HMO OffEx Primary Care Physicians contract with a Medical Group or IPA to share administrative and authorization responsibilities. The Primary Care Physician coordinates the Member's care within the Member's Medical Group/IPA and directs referrals to Medical Group/IPA Specialists or Hospitals, unless care for the Member's health condition is unavailable within the Medical Group/IPA.

The Member's Medical Group/IPA ensures that a full panel of Specialists is available and assists the Primary Care Physician with utilization management of Plan Benefits. Medical Groups/IPAs also have admitting arrangements with Blue Shield's contracted Hospitals within their service area. The Medical Group/IPA also works with the Primary Care Physician to authorize Covered Services and ensure that Covered Services are performed by Plan Providers.

The Member should contact Member Services if the Member needs assistance locating a Plan Provider in the Member's Service Area. The Plan will review and consider a Member's request for services that cannot be reasonably obtained in network. If a Member's request for services from a non-Plan Provider is approved, the Plan will pay for Covered Services from the non-Plan Provider.

The Member's Primary Care Physician and Medical Group/IPA are listed on the Member's Access+ HMO OffEx identification card.

Changing Primary Care Physicians or Designated Medical Group or IPA

Members may change their Primary Care Physician or Medical Group/IPA by calling Customer Service at the number provided on the back page of this Evidence of Coverage or by submitting a Member Change Request Form to Customer Service. Members enrolled in this Access+ HMO OffEx Plan may only select Primary Care Physicians and Medical Group/IPAs designated as Access+ HMO OffEx Plan providers. If the selected Medical Group/IPA does not have an affiliation with the

Member's Primary Care Physician, a change in Medical Group/IPA may also require the Member to select a new Primary Care Physician.

Changes in Medical Group/IPA or Primary Care Physician are effective the first day of the month following notice of approval by Blue Shield. Once the change of Primary Care Physician is effective, all care must be provided or arranged by the new Primary Care Physician, except for OB/GYN services and Access+ Specialist visits as noted in earlier sections.

Once the Medical Group/IPA change is effective, authorizations for Covered Services provided by the former Medical Group/IPA are no longer valid. Care must be transitioned to specialists within the new Medical Group/IPA, and except for Access+ Specialist visits, new authorizations must be obtained. Members may call Customer Service for assistance with Primary Care Physician or Medical Group/IPA changes.

Voluntary Medical Group/IPA changes are not permitted while the Member is confined to a Hospital or during the third trimester of pregnancy. The effective date of the new Medical Group/IPA will be the first of the month following discharge from the Hospital, or when pregnant, following the completion of postpartum care.

Additionally, changes in Primary Care Physician or Medical Group/IPA during an on-going course of treatment may interrupt care. For this reason, the effective date of a Primary Care Physician or Medical Group/IPA change, when requested during an on-going course of treatment, will be the first of the month following the date it is medically appropriate to transfer the Member's care to a new Primary Care Physician or Medical Group/IPA, as determined by Blue Shield.

Exceptions must be approved by a Blue Shield Medical Director. For information about approval for an exception to the above provisions, please contact Customer Service at the number provided on the back page of this Evidence of Coverage.

If a Member's Primary Care Physician terminates participation in the Plan, Blue Shield will notify the Member in writing and designate a new Primary Care Physician who is immediately available

to provide the Member's medical care. Members may also make their own selection of a new Primary Care Physician within 15 days of this notification. The Member's selection must be approved by Blue Shield prior to receiving any Covered Services under the Plan.

Access+ Specialist

The Member may arrange an office visit with an Access+ Plan Specialist within their Primary Care Physician's Medical Group/IPA without a referral from the Primary Care Physician. The Member is responsible for the Copayment or Coinsurance listed in the Summary of Benefits for each Access+ Specialist visit including the initial visit and follow up care not referred through the Member's Primary Care Physician.

See the *Mental Health, Behavioral Health, and Substance Use Disorder Services* section for information regarding Access+ Specialist visits for Mental Health Services, Behavioral Health Treatment, and Substance Use Disorder Services.

An Access+ Specialist visit includes an office visit for an examination or other consultation including diagnosis and treatment provided by a Medical Group or IPA Plan Specialist without a Primary Care Physician referral

An Access+ Specialist visit does not include:

- 1) Services which are not otherwise covered;
- 2) Services provided by a non-Access+ Provider (such as Podiatry and Physical Therapy);
- 3) Allergy testing;
- 4) Endoscopic procedures
- 5) Diagnostic and nuclear imaging including CT, MRI, or bone density measurement;
- 6) Injectables, chemotherapy, or other infusion drugs, other than vaccines and antibiotics;
- 7) Infertility services;
- 8) Emergency Services;
- 9) Urgent Services;
- 10) Inpatient services, or any services which result in a facility charge, except for routine X-ray and laboratory services;

11) Services for which the Medical Group or IPA routinely allows the Member to self-refer without authorization from the Primary Care Physician;

12) OB/GYN services by an obstetrician/gynecologist or family practice Physician within the same Medical Group/IPA as the Primary Care Physician.

Access+ Satisfaction

Members may provide Blue Shield with feedback regarding the service received from Plan Physicians. If a Member is dissatisfied with the service provided during an office visit with a Plan Physician, the Member may contact Customer Service at the number provided on the back page of the Evidence of Coverage.

Mental Health, Behavioral Health, and Substance Use Disorder Services

Blue Shield contracts with a Mental Health Service Administrator (MHSA) to underwrite and deliver all Mental Health Services, Behavioral Health Treatment, and Substance Use Disorder Services through a unique network of MHSA Participating Providers. All non-emergency Mental Health Services, Behavioral Health Treatment, and Substance Use Disorder Hospital admissions and Other Outpatient Mental Health Services and Behavioral Health Treatment, and Outpatient Substance Use Disorder Services, except for Access+ Specialist visits, must be arranged through and authorized by the MHSA. Members are not required to coordinate Mental Health Services, Behavioral Health Treatment, and Substance Use Disorder Services through their Primary Care Physician.

All Mental Health Services, Behavioral Health Treatment, and Substance Use Disorder Services must be provided by an MHSA Participating Provider, apart from the exceptions noted in the next paragraph. Information regarding MHSA Participating Providers is available online at www.blueshieldca.com. Members, or their Primary Care Physician, may also contact the MHSA directly for information and to select an MHSA Participating Provider by calling 1-877-263-9952. Your Primary Care Physician may also contact the

MHSA to obtain information regarding the MHSA Participating Providers.

Mental Health Services, Behavioral Health Treatment, and Substance Use Disorder Services received from an MHSA Non-Participating Provider will not be covered except as an Emergency or Urgent Service or when no MHSA Participating Provider is available to perform the needed services and the MHSA refers the Member to an MHSA Non-Participating Provider and authorizes the services. Mental Health and Substance Use Disorder Services received from a health professional who is an MHSA Non-Participating Provider at a facility that is an MHSA Participating Provider will also be covered. Except for these stated exceptions, all charges for Mental Health Services, Behavioral Health Treatment, or Substance Use Disorder Services not rendered by an MHSA Participating Provider will be the Member's responsibility. For complete information regarding Benefits for Mental Health Services, Behavioral Health Treatment, and Substance Use Disorder Services, see the *Mental Health, Behavioral Health, and Substance Use Disorder Benefits* section.

Prior Authorization for Mental Health, Behavioral Health, and Substance Use Disorder Services

The MHSA Participating Provider must obtain prior authorization from the MHSA for all non-emergency Mental Health Hospital admissions including acute inpatient care and Residential Care. The provider should call Blue Shield's Mental Health Service Administrator (MHSA) at 1-877-263-9952 at least five business days prior to the admission. Other Outpatient Mental Health Services, including, but not limited to, Behavioral Health Treatment, Partial Hospitalization Program (PHP), Intensive Outpatient Program (IOP), and Transcranial Magnetic Stimulation (TMS) must also be prior authorized by the MHSA except for electroconvulsive therapy and Psychological Testing.

The MHSA will render a decision on all requests for prior authorization of services as follows:

- 1) for Urgent Services, as soon as possible to accommodate the Member's condition not to exceed 72 hours from receipt of the request;
- 2) for other services, within five business days from receipt of the request. The treating provider will be notified of the decision within 24 hours followed by written notice to the provider and Member within two business days of the decision.

If prior authorization is not obtained for a mental health inpatient admission or for any Other Outpatient Mental Health Services except for electroconvulsive therapy and Psychological Testing and the services provided to the member are determined not to be a Benefit of the plan, coverage will be denied.

Prior authorization is not required for an emergency admission.

Continuity of Care

Continuity of care with a non-Plan Provider is available for the following Members: for Members who are currently seeing a provider who is no longer in the Blue Shield network; for newly-covered Members whose previous health plan was withdrawn from the market; or for newly-covered Members whose coverage choices do not include out-of-network Benefits.

Members who meet the eligibility requirements listed above may request continuity of care if they are being treated for acute conditions, serious chronic conditions, pregnancies (including immediate postpartum care), or terminal illness. Continuity of care may also be requested for children who are up to 36 months old, or for Members who have received authorization from a terminated provider for surgery or another procedure as part of a documented course of treatment.

To request continuity of care with a non-Plan Provider, visit www.blueshieldca.com and fill out the Continuity of Care Application. Blue Shield will review the request. The non-Plan Provider must agree to accept Blue Shield's Allowed Charges as payment in full for ongoing care. When authorized, the Member may continue to see the non-Plan Provider for up to 12 months.

Second Medical Opinion

Members who have questions about their diagnoses, or believe that additional information concerning their condition would be helpful in determining the most appropriate plan of treatment, may request a referral from their Primary Care Physician to another Physician for a second medical opinion. The Member's Primary Care Physician may also offer a referral to another Physician for a second opinion.

If the second opinion involves care provided by the Member's Primary Care Physician, the second opinion will be provided by a Physician within the same Medical Group/IPA. If the second opinion involves care received from a Specialist, the second opinion may be provided by any Blue Shield Specialist of the same or equivalent specialty. All second opinion consultations must be authorized by the Medical Group/IPA.

Urgent Services

The Blue Shield Access+ HMO OffEx provides coverage for you and your family for your Urgent Service needs when you or your family are temporarily traveling outside of your Primary Care Physician Service Area.

Urgent Services are defined as those Covered Services rendered outside of the Primary Care Physician Service Area (other than Emergency Services) which are Medically Necessary to prevent serious deterioration of a Member's health resulting from unforeseen illness, injury or complications of an existing medical condition, for which treatment cannot reasonably be delayed until the Member returns to the Primary Care Physician Service Area.

Out-of-Area Follow-up Care is defined as non-emergent Medically Necessary out-of-area services to evaluate the Member's progress after an initial Emergency or Urgent Service.

(Urgent Care) While in your Primary Care Physician Service Area

If you require urgent, same-day care for a condition that could reasonably be treated in your Primary Care Physician's office or in an urgent care clinic (i.e., care for a condition that is not such that

the absence of immediate medical attention could reasonably be expected to result in placing your health in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ or part), you must first call your Primary Care Physician. However, you may go directly to an urgent care clinic when your assigned Medical Group/IPA has provided you with instructions for obtaining care from an urgent care clinic in your Primary Care Physician Service Area.

Outside of California

The Blue Shield Access+ HMO OffEx provides coverage for you and your family for your Urgent Service needs when you or your family are temporarily traveling outside of California. Urgent Services may be obtained from any provider; however, using the BlueCard® or Blue Shield Global Core programs can be more cost-effective and may eliminate the need for you to pay for the services when they are rendered and submit a claim for reimbursement. See the *Inter-Plan Arrangements* section of this EOC for more information on the BlueCard® and Blue Shield Global Core programs.

Out-of-Area Follow-up Care is also covered and services may be received through the BlueCard® or Blue Shield Global Core programs. Authorization by Blue Shield is required for more than two Out-of-Area Follow-up Care outpatient visits. Blue Shield may direct the patient to receive the additional follow-up services from their Primary Care Physician.

Within California

If you are temporarily traveling within California, but are outside of your Primary Care Physician Service Area, if possible you should call Customer Service at the number provided on the back page of this booklet for assistance in receiving Urgent Services through a Blue Shield of California provider. You may also locate a provider by visiting our web site at www.blueshieldca.com. However, you are not required to use a Blue Shield of California provider to receive Urgent Services; you may use any California provider.

Out-of-Area Follow-up Care is also covered through a Blue Shield of California provider or from any California provider. Authorization by

Blue Shield is required for more than two Out-of-Area Follow-up Care outpatient visits. Blue Shield may direct the patient to receive the additional follow-up services from their Primary Care Physician.

If services are not received from a Blue Shield of California provider, you may be required to pay the provider for the entire cost of the service and submit a claim to Blue Shield. Claims for Urgent Services obtained outside of your Primary Care Physician Service Area within California will be reviewed retrospectively for coverage.

When you receive covered Urgent Services outside your Primary Care Physician Service Area within California, the amount you pay, if not subject to a flat dollar Copayment, is calculated based on Blue Shield's Allowed Charges.

Emergency Services

The Benefits of this plan will be provided anywhere in the world for treatment of an Emergency Medical Condition. For information on Emergency Services received outside of California through the BlueCard and Blue Shield Global Core programs, see the section on *Inter-Plan Arrangements*.

For Emergency Services from any provider, the Member is only responsible for the applicable Deductible, Copayment or Coinsurance as shown in the Summary of Benefits, and is not responsible for any Allowed Charges Blue Shield is obligated to pay.

Members who reasonably believe that they have an Emergency Medical Condition which requires an emergency response are encouraged to appropriately use the "911" emergency response system (where available) or seek immediate care from the nearest Hospital.

Members should go to the closest Plan Hospital for Emergency Services whenever possible. The Member should notify their Primary Care Physician within 24 hours of receiving Emergency Services or as soon as reasonably possible following medical stabilization.

Claims for Emergency and Urgent Services

If Emergency or Urgent Services are not received from a Blue Shield of California provider, the Member may be required to pay the provider for the entire cost of the service and request reimbursement from Blue Shield. A completed claim form and medical records must be submitted to Blue Shield within one year of the service date. Claims for Emergency or Urgent Services will be reviewed retrospectively for coverage.

For information on claims for Emergency or Urgent Services received outside of California see the *Inter-Plan Arrangements* section of the EOC.

Cost Sharing

The Summary of Benefits provides the Member's Copayment, Coinsurance, Calendar Year Deductible and Calendar Year Out-of-Pocket Maximum amounts.

Calendar Year Medical Deductible

The Calendar Year Medical Deductible is the amount an individual or a Family must pay for Covered Services each Calendar Year before Blue Shield begins payment in accordance with this Evidence of Coverage. The Calendar Year Medical Deductible does not apply to all plans. When applied, this Deductible accrues to the Calendar Year Out-of-Pocket Maximum. Information specific to the Member's plan is provided in the Summary of Benefits.

The Summary of Benefits indicates whether or not the Calendar Year Medical Deductible applies to a particular Covered Service. Covered Services received at a facility that is a Plan Provider will accrue to the Calendar Year Medical Deductible whether Services are provided by a health professional who is a Plan Provider or non-Plan Provider.

There are individual and Family Calendar Year Medical Deductible amounts. The individual Medical Deductible applies when an individual is covered by the plan. The Family Medical Deductible applies when a Family is covered by the plan.

There is also an individual Medical Deductible within the Family Medical Deductible. This means Blue Shield will pay Benefits for any Family member who meets the individual Medical Deductible amount before the Family Medical Deductible is met.

Once the respective Deductible is reached, Covered Services are paid as Allowed Charges, less any applicable Copayment or Coinsurance, for the remainder of the Calendar Year.

Calendar Year Pharmacy Deductible

The Calendar Year Pharmacy Deductible is the amount a Member must pay each Calendar Year for covered Drugs before Blue Shield begins payment in accordance with the Group Health Service Contract. The Calendar Year Pharmacy Deductible does not apply to all plans. When it does

apply, this Deductible accrues to the Calendar Year Out-of-Pocket Maximum. There is an individual Deductible within the Family Calendar Year Pharmacy Deductible. Information specific to the Member's Plan is provided in the Summary of Benefits.

The Summary of Benefits indicates whether or not the Calendar Year Pharmacy Deductible applies to a particular Drug.

Calendar Year Out-of-Pocket Maximum

The Calendar Year Out-of-Pocket Maximum is the highest Deductible, Copayment and Coinsurance amount an individual or Family is required to pay for designated Covered Services each year. If a benefit plan has any Calendar Year Medical Deductible, it will accumulate toward the Calendar Year Out-of-Pocket Maximum. The Summary of Benefits indicates whether or not Copayment and Coinsurance amounts for a particular Covered Service accrue to the Calendar Year Out-of-Pocket Maximum. Covered Services received at a facility that is a Plan Provider will accrue to the Calendar Year Out-of-Pocket Maximum whether Services are provided by a health professional who is a Plan Provider or non-Plan Provider.

There are individual and Family Calendar Year Out-of-Pocket Maximum amounts. The individual Calendar Year Out-of-Pocket Maximum applies when an individual is covered by the plan. The Family Calendar Year Out-of-Pocket Maximum applies when a Family is covered by the plan. There is also an individual Out-of-Pocket Maximum within the Family Out-of-Pocket Maximum. This means that any Family member who meets the individual Out-of-Pocket Maximum will receive 100% Benefits for Covered Services, before the Family Out-of-Pocket Maximum is met.

The Summary of Benefits provides the Calendar Year Out-of-Pocket Maximum amounts at both the individual and Family levels. When the respective maximum is reached, Covered Services will be paid by Blue Shield at 100% of the Allowed Charges or contracted rate for the remainder of the Calendar Year.

Charges for services that are not covered and charges in excess of Allowed Charges or the con-

tracted rate do not accrue to the Calendar Year Out-of-Pocket Maximum and continue to be the Member's responsibility after the Calendar Year Out-of-Pocket Maximum is reached.

Liability of Subscriber or Member for Payment

As described in Role of the Primary Care Physician and adjacent sections above, in general all services must be prior authorized by the Primary Care Physician or Medical Group/IPA. In addition, as designated in Prior Authorization for Mental Health, Behavioral Health Treatment, and Substance Use Disorder Services above, all non-emergency inpatient services must be prior authorized by the MHSA and all Other Outpatient Mental Health Services, Behavioral Health Treatment, and Substance Use Disorder Services must be prior authorized by the MHSA except for electroconvulsive therapy and Psychological Testing. However, a Member will not be responsible for payment of covered Mental Health and Substance Use Services requiring prior authorization solely because an MHSA Participating Provider fails to obtain prior authorization.

The following services do not require prior authorization by the Member's Primary Care Physician, Medical Group/IPA, or the MHSA:

- 1) Emergency Services;
- 2) Urgent Services;
- 3) Access+ Specialist visits;
- 4) Hospice program services provided by a Participating Hospice Agency after the Member has been referred and accepted into the Hospice Program;
- 5) OB/GYN services by an obstetrician/gynecologist or family practice Physician within the Primary Care Physician's Medical Group/IPA;
- 6) Office Visits for Outpatient Mental Health Services and Behavioral Health Treatment, and Outpatient Substance Use Disorder Services by an MHSA Participating Provider; and
- 7) Other Outpatient Mental Health Services, Behavioral Health Treatment, and Substance Use

Disorder Services for electroconvulsive therapy and Psychological Testing.

In general, the Member is responsible for payment for:

- 1) Any services that are not Covered Services; and
- 2) Any Covered Services (except Emergency Services or Urgent Services) that are rendered by a non-Plan Provider, unless the Member has been referred to such services by their Primary Care Physician or the MHSA and the services are prior authorized by the Primary Care Physician or the MHSA. Prior authorization will not be granted and payment will not be made for services (other than Emergency Services or Urgent Services) that are rendered by a non-Plan Provider unless there is no Plan Provider available to render such services.

Limitation of Liability

Members shall not be responsible to Plan Providers or health professionals who are non-Plan Providers rendering services at a Plan Provider facility, for payment of services if they are a Benefit of the Plan. When Covered Services are rendered by a Plan Provider, or rendered by a health professional who is a non-Plan Provider at a Plan Provider facility, the Member is responsible only for the applicable Deductible, Copayment or Coinsurance, except as set forth in the Third Party Liability section. Members are responsible for the full charges for any non-Covered Services they obtain.

If a Plan Provider terminates his or her relationship with the Plan, affected Members will be notified. Blue Shield will make every reasonable and medically appropriate provision necessary to have another Plan Provider assume responsibility for the Member's care. The Member will not be responsible for payment (other than the applicable Deductible, Copayment or Coinsurance) to a former Plan Provider for any authorized services received. Once provisions have been made for the transfer of the Member's care, the services of the former Plan Provider are no longer covered.

Out-of-Area Services

Overview

Blue Shield has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates (Licensees). Generally, these relationships are called Inter-Plan Arrangements. These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association. Whenever you obtain health care services outside of California, the claims for these services may be processed through one of these Inter-Plan Arrangements.

When you access services outside of California you may obtain care from one of two kinds of providers. Most providers are participating providers and contract with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (Host Blue). Some providers are non-participating providers because they don't contract with the Host Blue. Blue Shield's payment practices in both instances are described in this section.

The Blue Shield Access+ HMO plan provides limited coverage for health care services received outside of California. Out-of-Area Covered Health Care Services are restricted to Emergency Services, Urgent Services, and Out-of-Area Follow-up Care. Any other services will not be covered when processed through an Inter-Plan Arrangement unless authorized by Blue Shield.

Inter-Plan Arrangements

Emergency Services

Members who experience an Emergency Medical Condition while traveling outside of California should seek immediate care from the nearest Hospital. The Benefits of this plan will be provided anywhere in the world for treatment of an Emergency Medical Condition.

BlueCard Program

Under the BlueCard® Program, when you receive Out-of-Area Covered Health Care Services within the geographic area served by a Host Blue, Blue Shield will remain responsible for doing what we agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating health care providers, including direct payment to the provider.

The BlueCard Program enables you to obtain Out-of-Area Covered Health Care Services outside of California, as defined above, from a health care provider participating with a Host Blue, where available. The participating health care provider will automatically file a claim for the Out-of-Area Covered Health Care Services provided to you, so there are no claim forms for you to fill out. You will be responsible for the Member Copayment, Coinsurance, and Deductible amounts, if any, as stated in the Summary of Benefits.

When you receive Out-of-Area Covered Health Care Services outside of California and the claim is processed through the BlueCard Program, the amount you pay for covered health care services, if not a flat dollar copayment, is calculated based on the lower of:

- 1) The billed charges for your Out-of-Area Covered Health Care Services; or
- 2) The negotiated price that the Host Blue makes available to Blue Shield.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your health care provider. Sometimes, it is an estimated price that takes into account special arrangements with your health care provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of health care providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing as noted above. However, such adjustments will not affect the price Blue Shield uses for your claim because these adjustments will not be applied retroactively to claims already paid.

Federal or state laws or regulations may require a surcharge, tax, or other fee that applies to fully-insured accounts. If applicable, Blue Shield will include any such surcharge, tax, or other fee as part of the claim charges passed on to you. Claims for Emergency Services are paid based on the Al-

lowed Charges as defined in this Evidence of Coverage.

Non-participating Providers Outside of California

Coverage for health care services provided outside of California and within the BlueCard Service Area by non-participating providers is limited to Out-of-Area Covered Health Care Services. The amount you pay for such services will normally be based on either the Host Blue’s non-participating provider local payment or the pricing arrangements required by applicable state law. In these situations, you will be responsible for any difference between the amount that the non-participating provider bills and the payment Blue Shield will make for Out-of-Area Covered Health Care Services as described in this paragraph.

If you do not see a participating provider through the BlueCard Program, you will have to pay the entire bill for your medical care and submit a claim to the local Blue Cross and/or Blue Shield plan, or to Blue Shield of California for reimbursement. Blue Shield will review your claim and notify you of its coverage determination within 30 days after receipt of the claim; you will be reimbursed as described in the preceding paragraph. Remember, your share of cost is higher when you see a non-participating provider.

Federal or state law, as applicable, will govern payments for out-of-network Emergency Services. Blue Shield pays claims for covered Emergency Services based on the Allowed Charges as defined in this EOC.

Blue Shield Global Core

If you are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (BlueCard Service Area), you may be able to take advantage of Blue Shield Global Core when accessing Out-of-Area Covered Health Care Services. Blue Shield Global Core is not served by a Host Blue. As such, you will typically have to pay the providers and submit the claims yourself to obtain reimbursement for these services.

If you need assistance locating a doctor or hospital outside the BlueCard Service Area you should call

the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week. Provider information is also available online at www.bcbs.com; select “Find a Doctor” and then “Blue Shield Global Core”.

Submitting a Blue Shield Global Core Claim

When you pay directly for Out-of-Area Covered Health Care Services outside the BlueCard Service Area, you must submit a claim to obtain reimbursement. You should complete a Blue Shield Global Core claim form and send the claim form with the provider’s itemized bill to the service center at the address provided on the form to initiate claims processing. The claim form is available from Blue Shield Customer Service, the service center, or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week.

Utilization Management

State law requires that health plans disclose to Members and health plan providers the process used to authorize or deny health care services under the plan. Blue Shield has completed documentation of this process as required under Section 1363.5 of the California Health and Safety Code. The document describing Blue Shield’s Utilization Management Program is available online at www.blueshieldca.com or Members may call Customer Service at the number provided on the back page of this Evidence of Coverage to request a copy.

Principal Benefits and Coverages (Covered Services)

Blue Shield provides the following Medically Necessary Benefits, subject to applicable Deductibles, Copayments, Coinsurance, charges in excess of Benefit maximums and Participating Provider provisions.

These services and supplies are covered only when Medically Necessary and authorized by the Member’s Primary Care Physician, the Medical Group/IPA, the Mental Health Service Administrator (MHSA), or Blue Shield. Unless specifically au-

thorized, Covered Services must be provided by the Member’s Primary Care Physician, an Obstetrical/Gynecological Physician within the Member’s Medical Group/IPA, an Access+ Specialist, or an MHSA Participating Provider. All terms, conditions, Limitations, Exceptions, Exclusions and Reductions set forth in this Evidence of Coverage apply as well as conditions or limitations illustrated in the benefit descriptions below. If there are two or more Medically Necessary services that may be provided for the illness, injury or medical condition, Blue Shield will provide Benefits based on the most cost-effective service.

When appropriate, the Primary Care Physician will assist the Member in applying for admission into a Hospice program through a Participating Hospice Agency. Hospice services obtained through a Participating Hospice Agency after the Member has been admitted into the Hospice program, do not require authorization.

The applicable Copayment and Coinsurance amounts for Covered Services, are shown on the Summary of Benefits. The Summary of Benefits is provided with, and is incorporated as part of, the Evidence of Coverage.

The determination of whether services are Medically Necessary, urgent or emergent will be made by the Medical Group/IPA or by Blue Shield. This determination will be based upon a review that is consistent with generally accepted medical standards, and will be subject to grievance in accordance with the procedures outlined in the *Grievance Process* section.

Except as specifically provided herein, services are covered only when rendered by an individual or entity that is licensed or certified by the state to provide health care services and is operating within the scope of that license or certification.

For Members who reside in a designated county, failure to obtain prior written authorization as described above and/or failure to have the procedure performed at a Hospital or Ambulatory Surgery Center and by a Physician participating as a Bariatric Surgery Services Provider will result in denial of claims for this Benefit.

The following are the designated counties in which Blue Shield has designated Bariatric Surgery Services Providers to provide bariatric surgery services:

Services for routine patient care will be paid on the same basis and at the same Benefit levels as other Covered Services shown in the Summary of Benefits.

Outpatient Prescription Drug Benefits

This Plan provides benefits for outpatient prescription Drugs as specified in this section.

A Physician or Health Care Provider must prescribe all Drugs covered under this Benefit, including over-the-counter items. Members must obtain all Drugs from a Participating Pharmacy, except as noted below.

Some Drugs, most Specialty Drugs, and prescriptions for Drugs exceeding specific quantity limits require prior authorization by Blue Shield for Medical Necessity, as described in the *Prior Authorization/Exception Request Process/Step Ther-*

apy section. The Member or their Physician or Health Care Provider may request prior authorization from Blue Shield.

Outpatient Drug Formulary

Blue Shield's Drug Formulary is a list of Food and Drug Administration (FDA)-approved preferred Generic and Brand Drugs that assists Physicians and Health Care Providers to prescribe Medically Necessary and cost-effective Drugs. Drugs not listed on the Formulary may be covered if the exception request submitted by the Member or the Member's Physician or Health Care Provider is approved by Blue Shield.

Blue Shield's Formulary is established by Blue Shield's Pharmacy and Therapeutics (P&T) Committee. This committee consists of physicians and pharmacists responsible for evaluating drugs for relative safety, effectiveness, health benefit based on the medical evidence, and comparative cost. They also review new drugs, dosage forms, usage and clinical data to update the Formulary four times a year. Note: The Member's Physician or Health Care Provider might prescribe a drug even though the drug is not included on the Formulary.

The Formulary drug list is categorized into drug tiers as described in the chart below. The Member's Copayment or Coinsurance will vary based on the drug tier. Drug tiering is based on recommendations made by the Pharmacy and Therapeutics Committee.

Drug Tier	Description
Tier 1	Most Generic Drugs, and low-cost, Preferred Brand Drugs.
Tier 2	1. Non-preferred Generic Drugs; 2. Preferred Brand Name Drugs; and 3. Any other Drugs recommended by the plan's Pharmacy and Therapeutics (P&T) Committee based on drug safety, efficacy and cost.

Tier 3	<ol style="list-style-type: none"> 1. Non-preferred Brand Name Drugs; 2. Drugs that are recommended by the P&T Committee based on drug safety, efficacy and cost; or 3. Generally, have a preferred and often less costly therapeutic alternative at a lower tier
Tier 4	<ol style="list-style-type: none"> 1. Drugs that are biologics and Drugs that the Food and Drug Administration (FDA) or drug manufacturer requires to be distributed through specialty pharmacies; 2. Drugs that require the Member to have special training or clinical monitoring; or 3. Drugs that cost the health plan (net of rebates) more than \$600 for a one-month supply.

Members can find the Drug Formulary at <https://www.blueshieldca.com/bsca/pharmacy/home.sp>. Members can also contact Customer Service at the number provided on the back page of this Evidence of Coverage to ask if a specific drug is included in the Formulary, or to request a printed copy of the Formulary.

Obtaining Outpatient Prescription Drugs at a Participating Pharmacy

The Member must present a Blue Shield Identification Card at a Participating Pharmacy to obtain Drugs. The Member can obtain prescription Drugs at any retail Participating Pharmacy unless the Drug is a Specialty Drug. Refer to the section *Obtaining Specialty Drugs through the Specialty Drug Program* for additional information. The Member can locate a retail Participating Pharmacy by visiting <https://www.blueshieldca.com/bsca/pharmacy/home.sp> or by calling Customer Service at the number listed on the Identification Card. If the Member obtains Drugs at a Non-Participating Pharmacy or without a Blue Shield Identification Card, Blue Shield will deny the claim, unless it is for Emergency Services.

Blue Shield negotiates contracted rates with Participating Pharmacies for covered Drugs. If the

Member's Plan has a Calendar Year Pharmacy Deductible, the Member is responsible for paying the contracted rate for Drugs until the Calendar Year Pharmacy Deductible is met.

The Member must pay the applicable Copayment or Coinsurance for each prescription when the Member obtains it from a Participating Pharmacy. When the Participating Pharmacy's contracted rate is less than the Member's Copayment or Coinsurance, the Member only pays the contracted rate. There is no Copayment or Coinsurance for generic FDA-approved contraceptive Drugs and devices obtained from a Participating Pharmacy. Brand contraceptives are covered without a Copayment or Coinsurance when Medically Necessary. See *Prior Authorization/Exception Request Process/Step Therapy* section.

Drugs not listed on the Formulary may be covered when Medically Necessary and by submitting an exception request to Blue Shield. If approved, Drugs that are categorized as Tier 4 will be covered at the Tier 4 Copayment or Coinsurance (refer to the Drug Tier table in the *Outpatient Drug Formulary* section of this Evidence of Coverage). For all other Drugs, the Tier 3 Copayment or Coinsurance applies when prior authorization is obtained. If an exception is not obtained, the Member is responsible for paying 100% of the cost of the Drug(s).

If the Member, their Physician or Health Care Provider selects a Brand Drug when a Generic Drug equivalent is available, the Member pays the difference in cost, plus the Tier 1 Copayment or Coinsurance. This is calculated by taking the difference between the Participating Pharmacy's contracted rate for the Brand Drug and the Generic Drug equivalent, plus the Tier 1 Copayment or Coinsurance. For example, the Member selects Brand Drug A when there is an equivalent Generic Drug A available. The Participating Pharmacy's contracted rate for Brand Drug A is \$300, and the contracted rate for Generic Drug A is \$100. The Member would be responsible for paying the \$200 difference in cost, plus the Tier 1 Copayment or Coinsurance. This difference in cost does not accrue to the Member's Calendar Year Pharmacy Deductible or Out-of-Pocket Maximum responsibility.

If the Member or their Physician or Health Care Provider believes the Brand Drug is Medically Necessary, they can request an exception to the difference in cost between the Brand Drug and Generic Drug equivalent through the Blue Shield prior authorization process. The request is reviewed for Medical Necessity. If the request is approved, the Member pays the applicable tier Copayment or Coinsurance for the Brand Drug.

The prior authorization process is described in the *Prior Authorization/Exception Request Process/Step Therapy* section of this Evidence of Coverage.

Emergency Exception for Obtaining Outpatient Prescription Drugs at a Non-Participating Pharmacy

When the Member obtains Drugs from a Non-Participating Pharmacy for Emergency Services:

- The Member must first pay all charges for the prescription,
- Submit a completed Prescription Drug Claim Form to

Blue Shield of California
P.O. Box 419019,
Dept. 191
Kansas City, MO 64141

- Blue Shield will reimburse the Member based on the price the Member paid for the Drugs, minus any applicable Deductible, Copayment or Coinsurance.

Claim forms may be obtained by calling Customer Service or visiting www.blueshieldca.com. Claims must be received within one year from the date of service to be considered for payment. Claim submission is not a guarantee of payment.

Obtaining Outpatient Prescription Drugs Through the Mail Service Prescription Drug Program

The Member has an option to use Blue Shield's Mail Service Prescription Drug Program when he or she takes maintenance Drugs for an ongoing condition. This allows the Member to receive up to a 90-day supply of their Drug and may help the Member to save money. The Member may enroll online, by phone, or by mail. Please allow up to 14

days to receive the Drug. The Member's Physician or Health Care Provider must indicate a prescription quantity equal to the amount to be dispensed. Specialty Drugs are not available through the Mail Service Prescription Drug Program.

The Member must pay the applicable Mail Service Prescription Drug Copayment or Coinsurance for each prescription Drug.

Visit www.blueshieldca.com or call Customer Service to get additional information about the Mail Service Prescription Drug Program.

Obtaining Specialty Drugs through the Specialty Drug Program

Specialty Drugs are Drugs requiring coordination of care, close monitoring, or extensive patient training for self-administration that cannot be met by a retail pharmacy and are available at a Network Specialty Pharmacy. Specialty Drugs may also require special handling or manufacturing processes (such as biotechnology), restriction to certain Physicians or pharmacies, or reporting of certain clinical events to the FDA. Specialty Drugs are generally high cost.

Specialty Drugs are available exclusively from a Network Specialty Pharmacy. A Network Specialty Pharmacy provides Specialty Drugs by mail, or upon the Member's request, will transfer the Specialty Drug to an associated retail store for pickup. See *Emergency Exception for Obtaining Outpatient Prescription Drugs at a Non-Participating Pharmacy*.

A Network Specialty Pharmacy offers 24-hour clinical services, coordination of care with Physicians, and reporting of certain clinical events associated with select Drugs to the FDA. To select a Network Specialty Pharmacy, the Member may go to <http://www.blueshieldca.com> or call Customer Service.

Go to <http://www.blueshieldca.com> for a complete list of Specialty Drugs. Most Specialty Drugs require prior authorization for Medical Necessity by Blue Shield, as described in the *Prior Authorization/Exception Request Process/Step Therapy* section.

Prior Authorization/Exception Request Process/Step Therapy

Some Drugs and Drug quantities require prior approval for Medical Necessity before they are eligible to be covered by the Outpatient Prescription Drug Benefit. This process is called prior authorization.

The following Drugs require prior authorization:

- 1) Some Formulary, preferred, non-preferred, compound Drugs, and most Specialty Drugs;
- 2) Drugs exceeding the maximum allowable quantity based on Medical Necessity and appropriateness of therapy;
- 3) Brand contraceptives may require prior authorization to be covered without a Copayment or Coinsurance;
- 4) When the Brand Drug is Medically Necessary, prior authorization is required if the Member, Physician or Health Care Provider is requesting an exception to the difference in cost between the Brand Drug and the Generic equivalent;

Blue Shield covers compounded medication(s) when:

- The compounded medications include at least one Drug
- There are no FDA-approved, commercially available, medically appropriate alternatives,
- The compound medication is self-administered, and
- Medical literature supports its use for the diagnosis.

The Member pays the Tier 3 Copayment or Coinsurance for covered compound Drugs.

The Member, their Physician or Health Care Provider may request prior authorization for the Drugs listed above or an exception request by submitting supporting information to Blue Shield. Once Blue Shield receives all required supporting information, Blue Shield will provide prior authorization approval or denial, based upon Medical Necessity, within 72 hours in routine circumstances or 24 hours in exigent circumstances. Exi-

gent circumstances exist when a Member has a health condition that may seriously jeopardize the Member's life, health, or ability to regain maximum function or when a Member is undergoing a current course of treatment using a Non-Formulary Drug.

To request coverage for a Non-Formulary Drug, the Member, representative, or the Provider may submit an exception request to Blue Shield. Once all required supporting information is received, Blue Shield will approve or deny the exception request, based upon Medical Necessity, within 72 hours in routine circumstances or 24 hours in exigent circumstances.

Step therapy is the process of beginning therapy for a medical condition with Drugs considered first-line treatment or that are more cost-effective, then progressing to Drugs that are the next line in treatment or that may be less cost-effective. Step therapy requirements are based on how the FDA recommends that a drug should be used, nationally recognized treatment guidelines, medical studies, information from the drug manufacturer, and the relative cost of treatment for a condition. If step therapy coverage requirements are not met for a prescription and your Physician believes the medication is Medically Necessary, the prior authorization process may be utilized and time-frames previously described will also apply.

If Blue Shield denies a request for prior authorization or an exception request, the Member, representative, or the Provider can file a grievance with Blue Shield, as described in the *Grievance Process* section.

Limitation on Quantity of Drugs that May Be Obtained Per Prescription or Refill

- 1) Except as otherwise stated below, the Member may receive up to a 30-day supply of Outpatient Prescription Drugs. If a Drug is available only in supplies greater than 30 days, the Member must pay the applicable retail Copayment or Coinsurance for each additional 30-day supply.
- 2) If the Member or Health Care Provider requests a partial fill of a Schedule II Controlled Substance prescription, the Copayment or

Coinsurance will be pro-rated. The remaining balance of any partially filled prescription cannot be dispensed more than 30 days from the date the prescription was written.

- 3) Blue Shield has a Short Cycle Specialty Drug Program. With the Member's agreement, designated Specialty Drugs may be dispensed for a 15-day trial supply at a pro-rated Copayment or Coinsurance for an initial prescription. This program allows the Member to receive a 15-day supply of the Specialty Drug and determine whether the Member will tolerate it before he or she obtains the full 30-day supply. This program can help the Member save out of pocket expenses if the Member cannot tolerate the Specialty Drug. The Network Specialty Pharmacy will contact the Member to discuss the advantages of the program, which the Member can elect at that time. The Member or their Physician may choose a full 30-day supply for the first fill.

If the Member agrees to a 15-day trial, the Network Specialty Pharmacy will contact the Member prior to dispensing the remaining 15-day supply to confirm that the Member is tolerating the Specialty Drug. The Member can find a list of Specialty Drugs in the Short Cycle Specialty Drug Program by visiting <https://www.blueshieldca.com/bsca/pharmacy/home.sp> or by calling Customer Service.

- 4) The Member may receive up to a 90-day supply of Drugs in the Mail Service Prescription Drug Program. Note: if the Member's Physician or Health Care Provider writes a prescription for less than a 90-day supply, the mail service pharmacy will dispense that amount and the Member is responsible for the applicable Mail Service Copayment or Coinsurance. Refill authorizations cannot be combined to reach a 90-day supply.
- 5) Select over-the-counter (OTC) drugs with a United States Preventive Services Task Force (USPSTF) rating of A or B may be covered at a quantity greater than a 30-day supply.

Pediatric Dental Benefits

(Benefits applicable to Members aged 19 and under)

Blue Shield has contracted with a Dental Plan Administrator (DPA). All pediatric dental Benefits will be administered by the DPA. Pediatric dental Benefits are available for Members through the end of the month in which the Member turns 19.

If the Member has any questions regarding the pediatric dental Benefits described in this Evidence of Coverage, needs assistance, or has any problems, they may contact the Dental Member Services Department at: 1-800-286-7401.

Before Obtaining Dental Services

The Member is responsible for assuring that the Dentist they choose is a Participating Dentist.

Note: A Participating Dentist's status may change. It is the Member's obligation to verify whether the Dentist the Member chooses is currently a Participating Dentist in case there have been any changes to the list of Participating Dentists.

The names of Participating Dentists located in the Member's area may also be obtained by contacting Blue Shield's DPA at 1-800-286-7401. The Member may also access a list of Participating Dentists through Blue Shield of California's internet site located at <http://www.blueshieldca.com>.

Participating Dentists

Pediatric dental Benefits are specifically designed for Members to use Participating Dentists. Participating Dentists agree to accept the DPA's payment, plus the Member's payment of any applicable Deductible and Coinsurance amount, as payment in full for Covered Services.

Participating Dentists submit claims for payment after their services have been rendered. These payments go directly to the Participating Dentist. If the Member goes to a Non-Participating Dentist, services will not be covered, except if there is a dental emergency. Participating Dentists do not receive financial incentives or bonuses from Blue Shield.

Timely Access to Dental Care Services

Blue Shield provides the following guidelines for timely access to care from Dental Providers:

Service	Access to Care
Urgent Care	Within 72 hours
Non-urgent care	Within 30 business days
Preventive dental care	Within 40 business days
<u>Telephone Inquiries</u>	<u>Access to Care</u>
<u>Access to a dental professional to evaluate the Member's dental concerns and symptoms</u>	<u>Within 30 minutes, 24 hours/day 7 days/week</u>

Note: For availability of interpreter services at the time of the Member's appointment, contact Shield Concierge at the number shown in the "Shield Concierge" section of this booklet. More information for interpreter services is located in the Notice of the Availability of Language Assistance Services section of this EOC.

Financial Responsibility for Continuity of Care Services

If a Member is entitled to receive services from a Terminated or Non-Participating Dentist, then under the preceding Continuity of Care provision, the responsibility of the Member to that provider for services rendered under the Continuity of Care provision shall be no greater than for the same services rendered by a Participating Dentist in the same geographic area.

Pre-certification of Dental Benefits

Before any course of treatment expected to cost more than \$250 is started, the Member's Participating

Dentist should obtain Pre-certification of Benefits. The Member's Participating Dentist should submit the recommended treatment plan together with appropriate diagnostic X-rays to the DPA. The DPA will review the dental treatment plan to determine the Benefits payable under the plan. The Benefit determination for the proposed treatment plan will then be promptly returned to the Participating Dentist and the Member.

Covered dental services are provided at the most cost-effective level of care that is consistent with professionally recognized standards of care. If there are two or more professionally recognized procedures for treatment of a dental condition, this plan will in most cases provide Benefits based on the most cost-effective procedure. The Benefits provided under this plan are based on these considerations but the Member and his/her Dentist make the final decision regarding treatment.

Failure to obtain Pre-certification of Benefits may result in a denial of Benefits. If the Pre-certification process is not followed, the DPA will still determine payment by taking into account alternative procedures; services or materials for the dental condition based on professionally recognized standards of dental practice. However, by following the Pre-certification process both the Member and his/her Dentist will know in advance which services are covered and the Benefits that are payable.

The covered dental expense will be limited to the Allowable Amount for the procedure, service or material which meets professionally recognized standards of quality dental care and is the most cost effective as determined by the DPA. If the Member and his/her Dentist decide on a more costly procedure, service or material than the DPA determined is payable under the plan, then Benefits will be applied to the selected treatment plan up to the Benefit maximum for the most cost effective alternative. The Member will be responsible for any charges in excess of the Benefit amount. The DPA reserves the right to use the services of dental consultants in the Pre-certification review.

Example:

- 1) If a crown is placed on a tooth which can be restored by a filling, Benefits will be based on the filling;

- 2) If a semi-precision or precision partial denture is inserted, Benefits may be based on a conventional clasp partial denture

If a bridge is placed and the Member has multiple unrestored missing teeth, Benefits will be based on a partial denture.

Emergency Dental Care Services

A dental emergency means, “an unexpected dental condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate dental attention could reasonably be expected to result in any of the following: (1) placing the Member’s health in serious jeopardy; (2) serious impairment to bodily functions; (3) subjecting the member to undue suffering.”

For Emergency Dental Care Services within the Member’s Service Area, the Member should first notify their Participating Dentist to obtain care, authorization, or instructions for care prior to actual Emergency treatment. If it is not possible to notify the Member’s Participating Dentist prior to receiving Emergency Dental Care Services, the Member must notify their Participating Dentist within 24 hours after care is received unless it was not reasonably possible to communicate within this time limit. In such case, notice must be given as soon as possible. Failure to provide notice as stated may result in the services not being covered.

If the Member is in need of emergency treatment and is outside the geographic area of their chosen Dentist or any other Participating Dentist, the Member should obtain services from any nearby available Non-Participating Dentist as soon as possible. Emergency treatment refers only to those dental services required to alleviate pain and suffering. The Member must submit a claim, within one year of the emergency service, along with the Emergency Dental Care Service record (the Dentist’s bill) to the DPA and the Member will be directly reimbursed for the treatment up to a maximum amount of \$100. Payment will be made to the Member up to a maximum amount of \$100 and only for services rendered to alleviate pain and suffering. The Member will be responsible for all costs for services rendered by a Non-Participating Dentist exceeding \$100 related to services for pain

and suffering. In addition, services rendered by a Non-Participating Dentist in addition to treatment of pain and sufferings are not covered.

Note: The DPA will respond to all requests for prior authorization of services as follows:

- 1) for Emergency Dental Care Services, as soon as possible to accommodate the Member’s condition not to exceed 72 hours from receipt of the request;
- 2) for other services, within 5 business days from receipt of the request.

If the Member obtains services without prior Authorization from the DPA, the DPA will retrospectively review the services for coverage as Emergency Dental Care Services. If the DPA determines that the situation did not require Emergency Dental Care Services, the Member will be responsible for the entire cost of the services. The DPA will notify the Member of its determination within 30 days from receipt of the claim.

Limitation of Member Liability

The Member shall not be responsible to Participating Dentists for payment of Covered Services. When Covered Services are rendered by a Participating Dentist, the Member is responsible only for the applicable Copayments and charges in excess of Benefit maximums. Members are responsible for the full charges for any non-covered services they obtain.

Responsibility for Copayments and Emergency Dental Care Services Claims

Member Responsibility

The Member shall be responsible to the Participating Dentist and other Plan Providers for payment of the following charges:

- 1) Any Deductibles and amounts listed under Copayments in the Pediatric Dental section of the Summary of Benefits.
- 2) Any charges for non-covered services.

All such Copayments and charges for non-covered services are due and payable to the Participating Dentist immediately upon commencement of extended treatments or upon the provision of services. Termination of the Plan shall in no way af-

fect or limit any liability or obligation of the Member to the Participating Dentist for any such Co-payments or charges owing.

Emergency Dental Care Services Claims

If Emergency Dental Care Services outside of the service area were received and expenses were incurred by the Member, the Member must submit a complete claim with the Emergency Dental Care Service record (a copy of the Dentist's bill) for payment to the DPA, within 1 year after the treatment date.

Please send this information to:

1-800-286-7401

Blue Shield of California
Dental Plan Administrator
425 Market Street, 15th Floor
San Francisco, CA 94105

If the claim is not submitted within this period, Blue Shield will not pay for those Emergency Dental Care Services, unless the claim was submitted as soon as reasonably possible as determined by Blue Shield. If the services are not preauthorized, the DPA will review the claim retrospectively. If the DPA determines that the services were not Emergency Dental Care Services and would not otherwise have been authorized by the DPA, and, therefore, are not Covered Services, it will notify the Member of that determination. The Member is responsible for the payment of such Dental Care Services received. The DPA will notify the Member of its determination within 30 days from receipt of the claim. If the Member disagrees with the DPA's decision, they may appeal using the procedures outlined in the section entitled "Member Services and Grievance Process".

Participating Dentists Member Payments

When the Member receives covered dental services from a Participating Dentist, the Member will be responsible for a coinsurance amount as outlined in the Summary of Benefits. Participating Dentists will file claims on the Member's behalf.

Participating Dentists will be paid directly by the plan, and have agreed to accept the DPA's payment, plus the Member's payment of any applica-

ble deductible or coinsurance amount, as payment in full for Covered Services.

If the Member recovers from a third party the reasonable value of Covered Services rendered by a Participating Dentist, the Participating Dentist who rendered these services is not required to accept the fees paid by the DPA as payment in full, but may collect from the covered Member the difference, if any, between the fees paid by the DPA and the amount collected by the covered Member for these services.

Non-Participating Dentists

Services received from a Non-Participating Dentist are not covered. When the Member receives covered services from a Non-Participating Dentist, they will be responsible for paying the Dentist directly for the entire amount billed by the Dentist.

Medically Necessary orthodontic treatment is limited to the following instances related to an identifiable medical condition. Initial orthodontic examination (D0140) called the Limited Oral Evaluation must be conducted. This examination includes completion and submission of the completed HLD Score Sheet with the Specialty Referral Request Form. The HLD Score Sheet is the preliminary measurement tool used in determining if the Member qualifies for medically necessary orthodontic services.

Orthodontic procedures are a Benefit only when the diagnostic casts verify a minimum score of 26 points on the Handicapping Labio-Lingual Deviation (HLD) Index California Modification Score Sheet Form, DC016 (06/09) or one of the six automatic qualifying conditions below exist or when there is written documentation of a craniofacial anomaly from a credentialed specialist on their professional letterhead.

Those immediate qualifying conditions are:

- 1) Cleft lip and or palate deformities
- 2) Craniofacial Anomalies including the following:
 - a) Crouzon's syndrome,

Medical Necessity Exclusion

All dental services received must be Medically Necessary Dental Services. The fact that a Dentist or other Plan Provider may prescribe, order, recommend, or approve a service or supply does not, in itself, determine Medical Necessity.

Alternate Benefits Provision

An alternate Benefit provision allows a Benefit to be based on an alternate procedure, which is professionally acceptable and more cost effective. If dental standards indicate that a condition can be treated by a less costly alternative to the service proposed by the attending Dentist, the DPA will pay Benefits based upon the less costly service.

Pediatric Vision Benefits

Blue Shield covers pediatric vision Benefits for individuals through the end of the month in which the Member turns 19 years of age. Blue Shield's pediatric vision Benefits are administered by a contracted Vision Plan Administrator (VPA). The VPA is a vision care service plan licensed by the California Department of Managed Health Care, which contracts with Blue Shield to administer delivery of eyewear and eye exams covered under this pediatric vision Benefit.

Principal Benefits and Coverages for Pediatric Vision Benefits

Blue Shield will pay for Covered Services rendered by VPA Participating Providers as indicated in the Summary of Benefits.

The following is a complete list of Covered Services provided under this pediatric vision Benefit:

- 1) One comprehensive eye examination in a Calendar Year. A comprehensive examination represents a level of service in which a general evaluation of the complete visual system is made. The comprehensive services constitute a single service entity but need not be performed at one session. The service includes history, general medical observation, external and ophthalmoscopic examination, gross visual fields and basic sensorimotor examination. It often includes, as indicated: biomicroscopy, examination for cycloplegia or mydriasis, tonometry, and, usually, a determination of the refractive state unless known, or unless the condition of the media precludes this or it is otherwise contraindicated, as in the presence of trauma or severe inflammation. In addition, it includes dilation if professionally indicated.

When contact lenses are selected in lieu of eyeglasses, the comprehensive examination Benefit and Allowance covers in full the fitting, evaluation and follow-up care fees for Non-Elective (Medically Necessary) Contact Lenses or standard Elective Contact Lenses

by VPA Participating Providers. For non-standard specialty contact lenses (including, but not limited to, toric, multifocal and gas permeable lenses), the comprehensive examination Benefit and Allowance covers the fitting and evaluation equal to the standard contact lenses fitting and evaluation by VPA Participating Providers. The Member is responsible for the difference between the amount Blue Shield pays and the amount billed by the VPA Participating Provider.

- 2) One of the following in a Calendar Year:
 - a. One pair of spectacle lenses which include choice of glass, plastic or polycarbonate lenses, all lens powers (single vision, bifocal, trifocal, lenticular), fashion and gradient tinting, ultraviolet protective coating, and oversized and glass-grey #3 prescription sunglass lenses (Note: Polycarbonate lenses are covered in full for children, monocular patients and patients with prescriptions $> \pm 6.00$ diopters),
 - b. Elective Contact Lenses (for cosmetic reasons or for convenience), or
 - c. Non-Elective (Medically Necessary) Contact Lenses, which are lenses following cataract surgery, or when contact lenses are the only means to correct visual acuity to 20/40 for keratoconus, 20/60 for anisometropia, or for certain conditions of myopia (12 or more diopters), hyperopia (7 or more diopters) astigmatism (over 3 diopters), or other conditions as listed in the definition of Non-Elective Contact Lenses.

A report from the provider and prior authorization from the contracted VPA is required.
- 3) One frame in a Calendar Year.
- 4) The need for Low Vision Testing is triggered during a comprehensive eye exam. This exam may only be obtained from VPA Participating

Providers and only once in a consecutive five Calendar Year period. VPA Participating Providers specializing in low vision care may prescribe optical devices, such as high-power spectacles, magnifiers and telescopes, to maximize the remaining usable vision. One aid per Calendar Year is covered. A report from the provider conducting the initial examination and prior authorization from the VPA is required for both the exam and any prescribed device. Low vision is a bilateral impairment to vision that is so significant that it cannot be corrected with ordinary eyeglasses, contact lenses, or intraocular lens implants. Although reduced central or reading vision is common, low vision may also result from decreased peripheral vision, a reduction or loss of color vision, or the eye's inability to properly adjust to light, contrast, or glare. It can be measured in terms of visual acuity of 20/70 to 20/200.

- 5) One diabetic management referral per calendar year to a Blue Shield disease management program. The contracted VPA will notify Blue Shield's disease management program subsequent to the annual comprehensive eye exam, when the Member is known to have or be at risk for diabetes.

 - 34) for spinal manipulation and adjustment, except as specifically provided under *Professional Benefits* (other than for *Mental Health, Behavioral Health, and Substance Use Disorder Benefits*) in the Plan Benefits section;
 - 35) transportation by car, taxi, bus, gurney van, wheelchair van, and any other type of transportation (other than a licensed ambulance or psychiatric transport van);
 - 36) for services, including Hospice services rendered by a Participating Hospice Agency, not provided, prescribed, referred, or authorized as described herein except for Access+ Specialist visits, OB/GYN services provided by an obstetrician/gynecologist or family practice Physician within the same Medical Group/IPA as the Primary Care Physician, Emergency Services or Urgent Services as provided under *Emergency Room Benefits* and *Urgent Services Benefits* in the Plan Benefits section;
 - 37) for inpatient and Other Outpatient Mental Health Services and Behavioral Health Treat-

ment, and Outpatient Substance Use Disorder Services unless authorized by the MHSA;

- 38) Drugs dispensed by a Physician or Physician's office for outpatient use; and
- 39) services not specifically listed as a Benefit. This exclusion shall not apply to Medically Necessary services which Blue Shield is required by law to cover for Severe Mental Illnesses or Serious Emotional Disturbances of a Child.

See the Grievance Process for information on filing a grievance, the Member's right to seek assistance from the Department of Managed Health Care, and the Member's right to independent medical review.

Medical Necessity Exclusion

The Benefits of this Plan are provided only for services that are Medically Necessary. Because a Physician or other provider may prescribe, order, recommend, or approve a service or supply does not, in itself, make it Medically Necessary even though it is not specifically listed as an exclusion or limitation. Blue Shield reserves the right to review all claims to determine if a service or supply is Medically Necessary and may use the services of Physician consultants, peer review committees of professional societies or Hospitals and other consultants to evaluate claims.

Limitations for Duplicate Coverage

Medicare Eligible Members

- 1) Blue Shield will provide benefits before Medicare in the following situations:
 - a. When the Member is eligible for Medicare due to age, if the subscriber is actively working for a group that employs 20 or more employees (as defined by Medicare Secondary Payer laws).
 - b. When the Member is eligible for Medicare due to disability, if the subscriber is covered by a group that employs 100 or more employees (as defined by Medicare Secondary Payer laws).
 - c. When the Member is eligible for Medicare solely due to end stage renal disease during the first 30 months that the Member is eli-

gible to receive benefits for end-stage renal disease from Medicare.

- 2) Blue Shield will provide benefits after Medicare in the following situations:
 - a. When the Member is eligible for Medicare due to age, if the subscriber is actively working for a group that employs less than 20 employees (as defined by Medicare Secondary Payer laws).
 - b. When the Member is eligible for Medicare due to disability, if the subscriber is covered by a group that employs less than 100 employees (as defined by Medicare Secondary Payer laws).
 - c. When the Member is eligible for Medicare solely due to end stage renal disease after the first 30 months that the Member is eligible to receive benefits for end-stage renal disease from Medicare.
 - d. When the Member is retired and age 65 years or older.

When Blue Shield provides benefits after Medicare, the combined benefits from Medicare and the Blue Shield group plan may be lower but will not exceed the Medicare Allowed charges. The Blue Shield group plan Deductible and Copayments or Coinsurance will be waived.

Medi-Cal Eligible Members

Medi-Cal always provides benefits last.

Qualified Veterans

If the Member is a qualified veteran Blue Shield will pay the reasonable value or Blue Shield's Allowed Charges for Covered Services provided at a Veterans Administration facility for a condition that is not related to military service. If the Member is a qualified veteran who is not on active duty, Blue Shield will pay the reasonable value or Blue Shield's Allowed Charges for Covered Services provided at a Department of Defense facility, even if provided for conditions related to military service.

Members Covered by Another Government Agency

If the Member is entitled to benefits under any other federal or state governmental agency, or by any mu-

municipality, county or other political subdivision, the combined benefits from that coverage and this Blue Shield group plan will equal, but not exceed, what Blue Shield would have paid if the Member was not eligible to receive benefits under that coverage (based on the reasonable value or Blue Shield's Allowed Charges).

Contact Customer Service for any questions about how Blue Shield coordinates group plan benefits in the above situations.

Exception for Other Coverage

A Plan Provider may seek reimbursement from other third party payers for the balance of its reasonable charges for services rendered under this Plan.

Claims and Services Review

Blue Shield reserves the right to review all claims and services to determine if any exclusions or other limitations apply. Blue Shield may use the services of Physician consultants, peer review committees of professional societies or Hospitals, and other consultants to evaluate claims.

Reductions - Third Party Liability

If another person or entity, through an act or omission, causes a Member to suffer an injury or illness, and if Blue Shield paid Benefits for that injury or illness, the Member must agree to the provisions listed below. In addition, if the Member is injured and no other person is responsible but the Member receives (or is entitled to) a recovery from another source, and if Blue Shield paid Benefits for that injury, the Member must agree to the following provisions.

- 1) All recoveries the Member or his or her representatives obtain (whether by lawsuit, settlement, insurance or otherwise), no matter how described or designated, must be used to reimburse Blue Shield in full for benefits Blue Shield paid. Blue Shield's share of any recovery extends only to the amount of Benefits it has paid or will pay the Member or the Member's representatives. For purposes of this provision, Member's representatives include, if applicable, the Member's heirs, administrators, legal representatives, parents (if the Member is a minor), successors or assignees. This is Blue Shield's right of recovery.

- 2) Blue Shield is entitled under its right of recovery to be reimbursed for its Benefit payments even if the Member is not "made whole" for all of his or her damages in the recoveries that the Member receives. Blue Shield's right of recovery is not subject to reduction for attorney's fees and costs under the "common fund" or any other doctrine.
- 3) Blue Shield will not reduce its share of any recovery unless, in the exercise of Blue Shield's discretion, Blue Shield agrees in writing to a reduction (a) because the Member does not receive the full amount of damages that the Member claimed or (2) because the Member had to pay attorneys' fees.
- 4) The Member must cooperate in doing what is reasonably necessary to assist Blue Shield with its right of recovery. The Member must not take any action that may prejudice Blue Shield's right of recovery.

If the Member does seek damages for his or her illness or injury, the Member must tell Blue Shield promptly that the Member has made a claim against another party for a condition that Blue Shield has paid or may pay Benefits for, the Member must seek recovery of Blue Shield's Benefit payments and liabilities, and the Member must tell Blue Shield about any recoveries the Member obtains, whether in or out of court. Blue Shield may seek a first priority lien on the proceeds of the Member's claim in order to reimburse Blue Shield to the full amount of Benefits Blue Shield has paid or will pay. The amount Blue Shield seeks as restitution, reimbursement or other available remedy will be calculated in accordance with California Civil Code Section 3040.

Blue Shield may request that the Member sign a reimbursement agreement consistent with this provision.

Further, if the Member receives services from a participating Hospital for such injuries or illness, the Hospital has the right to collect from the Member the difference between the amount paid by Blue Shield and the Hospital's reasonable and necessary charges for such services when payment or reimbursement is received by the Member for medical expenses. The Hospital's right to collect shall be in accordance with California Civil Code Section 3045.1.

IF THIS PLAN IS PART OF AN EMPLOYEE WELFARE BENEFIT PLAN SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 ("ERISA"), THE MEMBER IS ALSO REQUIRED TO DO THE FOLLOWING:

- 1) Ensure that any recovery is kept separate from and not comingled with any other funds or the Member's general assets and agree in writing that the portion of any recovery required to satisfy the lien or other right of Recovery of Blue Shield is held in trust for the sole benefit of Blue Shield until such time it is conveyed to Blue Shield;
- 2) Direct any legal counsel retained by the Member or any other person acting on behalf of the Member to hold that portion of the recovery to which Blue Shield is entitled in trust for the sole benefit of Blue Shield and to comply with and facilitate the reimbursement to the plan of the monies owed it.

Coordination of Benefits

Coordination of benefits (COB) is utilized when a Member is covered by more than one group health plan. Payments for allowable expenses will be coordinated between the two plans up to the maximum benefit amount payable by each plan separately. Coordination of benefits ensures that benefits paid by multiple group health plans do not exceed 100% of allowable expenses. The coordination of benefits rules also provide consistency in determining which group health plan is primary and avoid delays in benefit payments. Blue Shield follows the rules for coordination of benefits as outlined in the California Code of Regulations, Title 28, Section 1300.67.13 to determine the order of benefit payments between two group health plans. The following is a summary of those rules.

- 1) When a plan does not have a coordination of benefits provision, that plan will always provide its benefits first. Otherwise, the plan covering the Member as an employee will provide its benefits before the plan covering the Member as a Dependent.
- 2) Coverage for dependent children:
 - a. When the parents are not divorced or separated, the plan of the parent whose date of

birth (month and day) occurs earlier in the year is primary.

- b. When the parents are divorced and the specific terms of the court decree state that one of the parents is responsible for the health care expenses of the child, the plan of the responsible parent is primary.
 - c. When the parents are divorced or separated, there is no court decree, and the parent with custody has not remarried, the plan of the custodial parent is primary.
 - d. When the parents are divorced or separated, there is no court decree, and the parent with custody has remarried, the order of payment is as follows:
 - i. The plan of the custodial parent
 - ii. The plan of the stepparent
 - iii. The plan of the non-custodial parent.
- 3) If the above rules do not apply, the plan which has covered the Member for the longer period of time is the primary plan. There may be exceptions for laid-off or retired employees.
- 4) When Blue Shield is the primary plan, Benefits will be provided without considering the other group health plan. When Blue Shield is the secondary plan and there is a dispute as to which plan is primary, or the primary plan has not paid within a reasonable period of time, Blue Shield will provide Benefits as if it were the primary plan.
- 5) Anytime Blue Shield makes payments over the amount they should have paid as the primary or secondary plan, Blue Shield reserves the right to recover the excess payments from the other plan or any person to whom such payments were made.

These coordination of benefits rules do not apply to the programs included in the *Limitation for Duplicate Coverage* section.

Subject to the requirements described under the *Continuation of Group Coverage* provision in this Evidence of Coverage, if applicable, an Employee and his or her Dependents will be eligible to continue

group coverage under this health plan when coverage would otherwise terminate.

Conditions of Coverage

Eligibility and Enrollment

To enroll and continue enrollment, a Subscriber must be an eligible Employee and meet all of the eligibility requirements for coverage established by the Employer. In order to enroll in an Access+ HMO OffEx Plan, the Employee must live or work in the Access+ HMO OffEx Plan Service Area. An Employee is eligible for coverage as a Subscriber the day following the date he or she completes the Waiting Period established by the Employer. The Employee's spouse or Domestic Partner and all Dependent children are eligible for coverage at the same time.

An Employee or the Employee's Dependents may enroll when initially eligible or during the Employer's annual Open Enrollment Period. Under certain circumstances, an Employee and Dependents may qualify for a Special Enrollment Period. Other than the initial opportunity to enroll, the Employer's annual Open Enrollment period, or a Special Enrollment Period, an Employee or Dependent may not enroll in the health program offered by the Employer. Please see the definition of Late Enrollee and Special Enrollment Period in the *Definitions* section for details on these rights. For additional information on enrollment periods, please contact the Employer or Blue Shield.

Dependent children of the Subscriber, spouse, or his or her Domestic Partner, including children adopted or placed for adoption, will be covered immediately after birth, adoption or the placement of adoption for a period of 31 days. In order to have coverage continue beyond the first 31 days, an application must be received by Blue Shield within 60 days from the date of birth, adoption or placement for adoption. If both partners in a marriage or Domestic Partnership are eligible Employees and Subscribers, children may be eligible and may be enrolled as a Dependent of either parent, but not both. Please contact Blue Shield to determine what evidence needs to be provided to enroll a child.

Enrolled disabled Dependent children who would normally lose their eligibility under this health plan

solely because of age, may be eligible for coverage if they continue to meet the definition of Dependent.

The Employer must meet specified Employer eligibility, participation and contribution requirements to be eligible for this group health plan. If the Employer fails to meet these requirements, this coverage will terminate. See the *Termination of Benefits* section of this Evidence of Coverage for further information. Employees will receive notice of this termination and, at that time, will be provided with information about other potential sources of coverage, including access to individual coverage through Covered California.

Subject to the requirements described under the Continuation of Group Coverage provision in this Evidence of Coverage, if applicable, an Employee and his or her Dependents will be eligible to continue group coverage under this health plan when coverage would otherwise terminate.

Effective Date of Coverage

Blue Shield will notify the eligible Employee/Subscriber of the effective date of coverage for the Employee and his or her Dependents. Coverage starts at 12:01 a.m. Pacific Time on the effective date.

Dependents may be enrolled within 31 days of the Employee's eligibility date to have the same effective date of coverage as the Employee. If the Employee or Dependent is considered a Late Enrollee, coverage will become effective the earlier of 12 months from the date a written request for coverage is made or at the Employer's next Open Enrollment Period. Blue Shield will not consider applications for earlier effective dates unless the Employee or Dependent qualifies for a Special Enrollment Period.

In general, if the Employee or Dependents are Late Enrollees who qualify for a Special Enrollment Period, and the Premium payment is delivered or postmarked within the first 15 days of the month, coverage will be effective on the first day of the month after receipt of payment. If the Premium payment is delivered or postmarked after the 15th of the month, coverage will be effective on the first day of the second month after receipt of payment.

However, if the Late Enrollee qualifies for a Special Enrollment Period as a result of a birth, adoption, foster care, guardianship, marriage or Domestic Part-

nership and enrollment is requested by the Employee within 60 days of the event, the effective date of enrollment will be as follows:

- 1) For the case of a birth, adoption, placement for adoption, placement in foster care, or guardianship, the coverage shall be effective on the date of birth, adoption, placement for adoption, placement in foster care or court order of guardianship.
- 2) For marriage or Domestic Partnership the coverage shall be effective on the date of the establishment of marriage or domestic partnership.

Premiums (Dues)

The monthly Premiums for a Subscriber and any enrolled Dependents are stated in the Contract. Blue Shield will provide the Employer with information regarding when the Premiums are due and when payments must be made for coverage to remain in effect.

All Premiums required for coverage for the Subscriber and Dependents will be paid by the Employer to Blue Shield. Any amount the Subscriber must contribute is set by the Employer. The Employer's rates will remain the same during the Contract's term; the term is the 12-month period beginning with the eligible Employer's effective date of coverage. The Employer will receive notice of changes in Premiums at least 60 days prior to the change. The Employer will notify the Subscriber immediately.

A Subscriber's contribution may change during the contract term (a) if the Employer changes the amount it requires its Employees to pay for coverage; (b) if the Subscriber adds or removes a Dependent from coverage; (c) if a Subscriber moves to a different geographic rating region, or (d) if a Subscriber joins the plan at a time other than during the annual Open Enrollment Period. Please check with Blue Shield or the Employer on when these contribution changes will take effect.

Grace Period

After payment of the first Premium, the Contractholder is entitled to a grace period of 30 days for the payment of any Premiums due. During this grace period, the Contract will remain in force. However, the Contractholder will be liable for payment of Premi-

ums accruing during the period the Contract continues in force.

Plan Changes

The Benefits and terms of this health plan, including but not limited to, Covered Services, Deductible, Copayment, Coinsurance and annual Out-of-Pocket Maximum amounts, are subject to change at any time. Blue Shield will provide at least 60 days written notice of any such change.

Benefits for services or supplies furnished on or after the effective date of any change in Benefits will be provided based on the change.

Renewal of Group Health Service Contract

This Contract has a 12-month term beginning with the eligible Employer's effective date of coverage. So long as the Employer continues to qualify for this health plan and continues to offer this plan to its Employees, Employees and Dependents will have an annual Open Enrollment period of 30 days before the end of the term to make any changes to their coverage. The Employer will give notice of the annual Open Enrollment period.

Blue Shield will offer to renew the Employer's Group Health Service Contract except in the following instances:

- 1) non-payment of Premiums;
- 2) fraud, misrepresentations or omissions;
- 3) failure to comply with Blue Shield's applicable eligibility, participation or contribution rules;
- 4) termination of plan type by Blue Shield;
- 5) Employer relocates outside of California; or
- 6) Employer is an association and association membership ceases.

Termination of Benefits (Cancellation and Rescission of Coverage)

Except as specifically provided under the Extension of Benefits provision, and, if applicable, the Continuation of Group Coverage provision, there is no right to receive Benefits of this health plan following termination of a Member's coverage.

Cancellation at Member Request

The Member can cancel his or her coverage, including as a result of the Member obtaining other minimum essential coverage, with 14 days' notice to Blue Shield. If coverage is terminated at a Member's request, coverage will end at 11:59 p.m. Pacific Time on (a) the cancellation date specified by the Member if the Member gave 14 days' notice; (b) fourteen days after the cancellation is requested, if the Member gave less than 14 days' notice; or (c) a date Blue Shield specifies if the Member gave less than 14 days' notice and the Member requested an earlier termination effective date. If the Member is newly eligible for Medi-Cal, Children's Health Insurance Program (CHIP), or the Basic Health Plan (if a Basic Health Plan is operating in the service area of Covered California), the last day of coverage is the day before such coverage begins.

Cancellation of Member's Enrollment by Blue Shield

Blue Shield may cancel a Member's coverage in this Plan in the following circumstances:

- 1) The Member is no longer eligible for coverage in the Plan.
- 2) Non-payment of premiums by the Employer for coverage of the Member.
- 3) Termination or decertification of this Blue Shield Plan.
- 4) The Subscriber changes from one health plan to another during the Annual Open Enrollment Period or during a Special Enrollment Period.

Blue Shield may cancel the Subscriber and any Dependent's coverage for cause for the following conduct; cancellation is effective immediately upon giving written notice to the Subscriber and Employer:

- 1) Providing false or misleading material information on the enrollment application or otherwise to the Employer or Blue Shield; see the Cancellation/Rescission for Fraud, or Intentional Misrepresentations of Material Fact provision;
- 2) Permitting use of a Member identification card by someone other than the Subscriber or Dependents to obtain Covered Services; or

- 3) Obtaining or attempting to obtain Covered Services under the Group Health Service Contract by means of false, materially misleading, or fraudulent information, acts or omissions.

If the Employer does not meet the applicable eligibility, participation and contribution requirements of the Contract, Blue Shield will cancel this coverage after 30 days' written notice to the Employer.

Any Premium paid Blue Shield for a period extending beyond the cancellation date will be refunded to the Employer. The Employer will be responsible to Blue Shield for unpaid Premium prior to the date of cancellation.

Blue Shield will honor all claims for Covered Services provided prior to the effective date of cancellation.

See the Cancellation and Rescission provision for termination for fraud or intentional misrepresentations of material fact.

Cancellation by the Employer

This health plan may be cancelled by the Employer at any time provided written notice is given to all Employees and Blue Shield to become effective upon receipt, or on a later date as may be specified by the notice.

Cancellation for Employer's Non-Payment of Premium

Blue Shield may cancel this health plan for non-payment of Premium. If the Employer fails to pay the required Premium when due, coverage will terminate upon expiration of the 30-day grace period following notice of termination for nonpayment of premium. The Employer will be liable for all Premium accrued while this coverage continues in force including those accrued during the grace period. Blue Shield will mail the Employer a Cancellation Notice (or Notice Confirming Termination of Coverage). The Employer must provide enrolled Employees with a copy of the Notice Confirming Termination of Coverage.

Cancellation/Rescission for Fraud or Intentional Misrepresentations of Material Fact

Blue Shield may cancel or rescind the Contract for fraud or intentional misrepresentation of material fact by the Employer, or with respect to coverage of Employees or Dependents, for fraud or intentional

misrepresentation of material fact by the Employee, Dependent, or their representative. A rescission voids the Contract retroactively as if it was never effective; Blue Shield will provide written notice to the Employer prior to any rescission.

In the event the contract is rescinded or cancelled, either by Blue Shield or the Employer, it is the Employer's responsibility to notify each enrolled Employee of the rescission or cancellation. Cancellations are effective on receipt or on such later date as specified in the cancellation notice.

If a Member is hospitalized or undergoing treatment for an ongoing condition and the Contract is cancelled for any reason, including non-payment of Premium, no Benefits will be provided unless the Member obtains an Extension of Benefits. (See the Extension of Benefits provision for more information.)

Date Coverage Ends

Coverage for a Subscriber and all of his or her Dependents ends at 11:59 p.m. Pacific Time on the earliest of these dates: (1) the date the Employer Group Health Service Contract is discontinued, (2) the last day of the month in which the Subscriber's employment terminates, unless a different date has been agreed to between Blue Shield and the Employer, (3) the date as indicated in the Notice Confirming Termination of Coverage that is sent to the Employer (see Cancellation for Non-Payment of Premium – Notices), or (4) the last day of the month in which the Subscriber and Dependents become ineligible for coverage, except as provided below.

Even if a Subscriber remains covered, his Dependents' coverage may end if a Dependent become ineligible. A Dependent spouse becomes ineligible following legal separation from the Subscriber, entry of a final decree of divorce, annulment or dissolution of marriage from the Subscriber; coverage ends on the last day of the month in which the Dependent spouse became ineligible. A Dependent Domestic Partner becomes ineligible upon termination of the domestic partnership; coverage ends on the last day of the month in which the Domestic Partner becomes ineligible. A Dependent child who reaches age 26 becomes ineligible unless the Dependent child is disabled and qualifies for continued coverage as described in the definition of De-

pendent. Coverage ends on the last day of the month in which the Dependent child becomes ineligible.

In addition, if a written application for the addition of a newborn or a child placed for adoption is not submitted to and received by Blue Shield within the 60 days following the Dependent's birth or placement for adoption, Benefits under this health plan for that child will end on the 31st day after the birth or placement for adoption at 11:59 p.m. Pacific Time.

If the Subscriber ceases work because of retirement, disability, leave of absence, temporary layoff, or termination, he or she should contact the Employer or Blue Shield for information on options for continued group coverage or individual options. If the Employer is subject to the California Family Rights Act of 1991 and/or the federal Family & Medical Leave Act of 1993, and the approved leave of absence is for family leave under the terms of such Act(s), a Subscriber's payment of Premiums will keep coverage in force for such period of time as specified in such Act(s). The Employer is solely responsible for notifying their Employee of the availability and duration of family leaves.

Reinstatement

If the Subscriber had been making contributions toward coverage for the Subscriber and Dependents and voluntarily cancelled such coverage, he or she should contact Blue Shield or the Employer regarding reinstatement options. If reinstatement is not an option, the Subscriber may have a right to re-enroll if the Subscriber or Dependents qualify for a Special Enrollment Period (see Special Enrollment Periods in the Definitions section). The Subscriber or Dependents may also enroll during the annual Open Enrollment Period. Enrollment resulting from a Special Enrollment Period or annual Open Enrollment Period is not reinstatement and may result in a gap in coverage.

Extension of Benefits

If a Member becomes Totally Disabled while validly covered under this health plan and continues to be Totally Disabled on the date the Contract terminates, Blue Shield will extend Benefits, subject to all limitations and restrictions, for Covered Services and supplies directly related to the condition, illness or injury causing such Total Disability until the first to

occur of the following: (1) twelve months from the date coverage terminated; (2) the date the covered Member is no longer Totally Disabled; or (3) the date on which a replacement carrier provides coverage to the Member.

No extension will be granted unless Blue Shield receives written certification of such Total Disability from a Physician within 90 days of the date on which coverage was terminated, and thereafter at such reasonable intervals as determined by Blue Shield.

Group Continuation Coverage

Please examine your options carefully before declining this coverage.

A Subscriber can continue his or her coverage under this group health plan when the Subscriber's Employer is subject to either Title X of the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended or the California Continuation Benefits Replacement Act (Cal-COBRA). The Subscriber's Employer should be contacted for more information.

In accordance with the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended and the California Continuation Benefits Replacement Act (Cal-COBRA), a Member may elect to continue group coverage under this Plan if the Member would otherwise lose coverage because of a Qualifying Event that occurs while the Contractholder is subject to the continuation of group coverage provisions of COBRA or Cal-COBRA. The benefits under the group continuation of coverage will be identical to the benefits that would be provided to the Member if the Qualifying Event had not occurred (including any changes in such coverage).

A Member will not be entitled to benefits under Cal-COBRA if at the time of the qualifying event such Member is entitled to benefits under Title XVIII of the Social Security Act ("Medicare") or is covered under another group health plan. Under COBRA, a Member is entitled to benefits if at the time of the qualifying event such Member is entitled to Medicare or has coverage under another group health plan. However, if Medicare entitlement or coverage under another group health plan arises after COBRA coverage begins, it will cease.

Qualifying Event

A Qualifying Event is defined as a loss of coverage as a result of any one of the following occurrences.

- 1) With respect to the Subscriber:
 - a. the termination of employment (other than by reason of gross misconduct); or
 - b. the reduction of hours of employment to less than the number of hours required for eligibility.
 - 2) With respect to the Dependent spouse or Dependent Domestic Partner and Dependent children (children born to or placed for adoption with the Subscriber or Domestic Partner during a COBRA or Cal-COBRA continuation period may be immediately added as Dependents, provided the Contractholder is properly notified of the birth or placement for adoption, and such children are enrolled within 30 days of the birth or placement for adoption):
 - a. the death of the Subscriber; or
 - b. the termination of the Subscriber's employment (other than by reason of such Subscriber's gross misconduct); or
 - c. the reduction of the Subscriber's hours of employment to less than the number of hours required for eligibility; or
 - d. the divorce or legal separation of the Subscriber from the Dependent spouse or termination of the domestic partnership; or
 - e. the Subscriber's entitlement to benefits under Title XVIII of the Social Security Act ("Medicare"); or
 - f. a Dependent child's loss of Dependent status under this Plan.
- Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Subscriber elects to enroll. Domestic Partners and Dependent children of Domestic Partners may elect to enroll in Cal-COBRA on their own.
- 3) For COBRA only, with respect to a Subscriber who is covered as a retiree, that retiree's Dependent spouse and Dependent children, the Em-

ployer's filing for reorganization under Title XI, United States Code, commencing on or after July 1, 1986.

- 4) With respect to any of the above, such other Qualifying Event as may be added to Title X of COBRA or the California Continuation Benefits Replacement Act (Cal-COBRA).

Notification of a Qualifying Event

- 1) With respect to COBRA enrollees:

The Member is responsible for notifying the Employer of divorce, legal separation, or a child's loss of Dependent status under this plan, within 60 days of the date of the later of the Qualifying Event or the date on which coverage would otherwise terminate under this plan because of a Qualifying Event.

The Employer is responsible for notifying its COBRA administrator (or plan administrator if the Employer does not have a COBRA administrator) of the Subscriber's death, termination, or reduction of hours of employment, the Subscriber's Medicare entitlement or the Employer's filing for reorganization under Title XI, United States Code.

When the COBRA administrator is notified that a Qualifying Event has occurred, the COBRA administrator will, within 14 days, provide written notice to the Member by first class mail of the Member's right to continue group coverage under this plan. The Member must then notify the COBRA administrator within 60 days of the later of (1) the date of the notice of the Member's right to continue group coverage or (2) the date coverage terminates due to the Qualifying Event.

If the Member does not notify the COBRA administrator within 60 days, the Member's coverage will terminate on the date the Member would have lost coverage because of the Qualifying Event.

- 2) With respect to Cal-COBRA enrollees:

The Member is responsible for notifying Blue Shield in writing of the Subscriber's death or Medicare entitlement, of divorce, legal separation, termination of a domestic partnership or a child's loss of Dependent status under this plan.

Such notice must be given within 60 days of the date of the later of the Qualifying Event or the date on which coverage would otherwise terminate under this plan because of a Qualifying Event. Failure to provide such notice within 60 days will disqualify the Member from receiving continuation coverage under Cal-COBRA.

The Employer is responsible for notifying Blue Shield in writing of the Subscriber's termination or reduction of hours of employment within 30 days of the Qualifying Event.

When Blue Shield is notified that a Qualifying Event has occurred, Blue Shield will, within 14 days, provide written notice to the Member by first class mail of his or her right to continue group coverage under this plan. The Member must then give Blue Shield notice in writing of the Member's election of continuation coverage within 60 days of the later of (1) the date of the notice of the Member's right to continue group coverage or (2) the date coverage terminates due to the Qualifying Event. The written election notice must be delivered to Blue Shield by first-class mail or other reliable means.

If the Member does not notify Blue Shield within 60 days, the Member's coverage will terminate on the date the Member would have lost coverage because of the Qualifying Event.

If this plan replaces a previous group plan that was in effect with the Employer, and the Member had elected Cal-COBRA continuation coverage under the previous plan, the Member may choose to continue to be covered by this plan for the balance of the period that the Member could have continued to be covered under the previous plan, provided that the Member notify Blue Shield within 30 days of receiving notice of the termination of the previous group plan.

Duration and Extension of Group Continuation Coverage

Cal-COBRA enrollees will be eligible to continue Cal-COBRA coverage under this plan for up to a maximum of 36 months regardless of the type of Qualifying Event.

COBRA enrollees who reach the 18-month or 29-month maximum available under COBRA, may

elect to continue coverage under Cal-COBRA for a maximum period of 36 months from the date the Member's continuation coverage began under COBRA. If elected, the Cal-COBRA coverage will begin after the COBRA coverage ends.

Note: COBRA enrollees must exhaust all the COBRA coverage to which they are entitled before they can become eligible to continue coverage under Cal-COBRA.

In no event will continuation of group coverage under COBRA, Cal-COBRA or a combination of COBRA and Cal-COBRA be extended for more than three years from the date the Qualifying Event has occurred which originally entitled the Member to continue group coverage under this plan.

Note: Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Subscriber elects to enroll. Domestic Partners and Dependent children of Domestic Partners may elect to enroll in Cal-COBRA on their own.

Notification Requirements

The Employer or its COBRA administrator is responsible for notifying COBRA enrollees of their right to possibly continue coverage under Cal-COBRA at least 90 calendar days before their COBRA coverage will end. The COBRA enrollee should contact Blue Shield for more information about continuation of coverage under Cal-COBRA. If the enrollee is eligible and chooses to continue coverage under Cal-COBRA, the enrollee must notify Blue Shield of their Cal-COBRA election at least 30 days before COBRA termination.

Payment of Premiums (Dues)

Premiums for the Member continuing coverage shall be 102 percent of the applicable group Premium rate if the Member is a COBRA enrollee, or 110 percent of the applicable group Premium rate if the Member is a Cal-COBRA enrollee, except for the Member who is eligible to continue group coverage to 29 months because of a Social Security disability determination, in which case, the Premiums for months 19 through 29 shall be 150 percent of the applicable group Premium rate.

Note: For COBRA enrollees who are eligible to extend group coverage under COBRA to 29 months

because of a Social Security disability determination, Premiums for Cal-COBRA coverage shall be 110 percent of the applicable group Premium rate for months 30 through 36.

If the Member is enrolled in COBRA and is contributing to the cost of coverage, the Employer shall be responsible for collecting and submitting all Premium contributions to Blue Shield in the manner and for the period established under this plan.

Cal-COBRA enrollees must submit Premiums directly to Blue Shield. The initial Premium must be paid within 45 days of the date the Member provided written notification to the plan of the election to continue coverage and be sent to Blue Shield by first-class mail or other reliable means. The Premium payment must equal an amount sufficient to pay any required amounts that are due. Failure to submit the correct amount within the 45-day period will disqualify the Member from continuation coverage.

Effective Date of the Continuation of Coverage

The continuation of coverage will begin on the date the Member's coverage under this plan would otherwise terminate due to the occurrence of a Qualifying Event and it will continue for up to the applicable period, provided that coverage is timely elected and so long as Premiums are timely paid.

Termination of Group Continuation Coverage

The continuation of group coverage will cease if any one of the following events occurs prior to the expiration of the applicable period of continuation of group coverage:

- 1) discontinuance of this Group Health Service Contract (if the Employer continues to provide any group benefit plan for employees, the Member may be able to continue coverage with another plan);
- 2) failure to timely and fully pay the amount of required Premiums to the COBRA administrator or the Employer or to Blue Shield as applicable. Coverage will end as of the end of the period for which Premiums were paid;
- 3) the Member becomes covered under another group health plan;
- 4) the Member becomes entitled to Medicare;

- 5) the Member commits fraud or deception in the use of the services of this plan.

Continuation of group coverage in accordance with COBRA or Cal-COBRA will not be terminated except as described in this provision. In no event will coverage extend beyond 36 months.

The geographic area served by this Plan is defined as the Plan Service Area. Subscribers and Dependents must live or work within the prescribed Plan Service Area to enroll in this Plan and to maintain eligibility in this Plan. For specific information on the boundaries of the Plan Service Area members may call Customer Service at the number provided on the back page of this Evidence of Coverage.

Liability of Subscribers in the Event of Non-Payment by Blue Shield

In accordance with Blue Shield's established policies, and by statute, every contract between Blue Shield and its Plan Providers stipulates that the Subscriber shall not be responsible to the Plan Provider for compensation for any services to the extent that they are provided in the Member's group contract. Plan Providers have agreed to accept the Blue Shield's payment as payment-in-full for Covered Services, except for Deductibles, Copayments and Coinsurance, and amounts in excess of specified Benefit maximums, or as provided under the Excep-

tion for Other Coverage provision and the Reductions section regarding Third Party Liability.

If services are provided by a non-Plan provider, the Member is responsible for all amounts Blue Shield does not pay.

When a Benefit specifies a Benefit maximum and that Benefit maximum has been reached, the Member is responsible for any charges above the Benefit maximums.

Right of Recovery

Whenever payment on a claim has been made in error, Blue Shield will have the right to recover such payment from the Subscriber or Member or, if applicable, the provider or another health benefit plan, in accordance with applicable laws and regulations. Blue Shield reserves the right to deduct or offset any amounts paid in error from any pending or future claim to the extent permitted by law. Circumstances that might result in payment of a claim in error include, but are not limited to, payment of benefits in excess of the benefits provided by the health plan, payment of amounts that are the responsibility of the Subscriber or Member (deductibles, copayments, coinsurance or similar charges), payment of amounts that are the responsibility of another payor, payments made after termination of the Subscriber or Member's eligibility, or payments on fraudulent claims.

No Maximum Lifetime Benefits

There is no maximum limit on the aggregate payments made by Blue Shield for Covered Services provided under this Group Health Service Contract.

No Annual Dollar Limits on Essential Health Benefits

This Plan contains no annual dollar limits on essential benefits as defined by federal law.

Payment of Providers

Blue Shield generally contracts with groups of Physicians to provide services to Members. A fixed, monthly fee is paid to the groups of Physicians for each Member whose Primary Care Physician is in the group. This payment system, capitation, includes

incentives to the groups of Physicians to manage all services provided to Members in an appropriate manner consistent with the contract.

External Independent Medical Review

For grievances involving claims or services for which coverage was denied by Blue Shield or by a contracting provider in whole or in part on the grounds that the service is not Medically Necessary or is experimental/investigational (including the external review available under the Friedman-Knowles Experimental Treatment Act of 1996), Members may choose to make a request to the Department of Managed Health Care to have the matter submitted to an independent agency for external review in accordance with California law. Members normally must first submit a grievance to Blue Shield and wait for at least 30 days before requesting external review; however, if the matter would qualify for an expedited decision as described above or involves a determination that the requested service is experimen-

tal/investigational, a Member may immediately request an external review following receipt of notice of denial. A Member may initiate this review by completing an application for external review, a copy of which can be obtained by contacting Customer Service. The Department of Managed Health Care will review the application and, if the request qualifies for external review, will select an external review agency and have the Member's records submitted to a qualified specialist for an independent determination of whether the care is Medically Necessary. Members may choose to submit additional records to the external review agency for review. There is no cost to the Member for this external review. The Member and the Member's Physician will receive copies of the opinions of the external review agency. The decision of the external review agency is binding on Blue Shield; if the external reviewer determines that the service is Medically Necessary, Blue Shield will promptly arrange for the service to be provided or the claim in dispute to be paid. This external review process is in addition to any other procedures or remedies available and is completely voluntary; Members are not obligated to request external review. However, failure to participate in external review may cause the Member to give up any statutory right to pursue legal action against Blue Shield regarding the disputed service. For more information regarding the external review process, or to request an application form, please contact Customer Service.

Department of Managed Health Care Review

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **1-888-319-5999** and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medi-

cal Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the Medical Necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature, and payment disputes for emergency or urgent medical services.

The Department also has a toll-free telephone number (1-888-466-2219) and a TDD line (711) for the hearing and speech impaired. The Department's Internet Web site, (www.dmhca.gov), has complaint forms, IMR application forms, and instructions online.

In the event that Blue Shield should cancel or refuse to renew the enrollment for the Subscriber or their Dependents and the Subscriber feels that such action was due to reasons of health or utilization of benefits, the Subscriber or their Dependents may request a review by the Department of Managed Health Care Director.

 - Alert a person who may have been exposed to a communicable disease, if we are authorized by law to give such a notice.
- **Health oversight activities.** We may disclose your PHI to:
 - A government agency that is legally responsible for oversight of the healthcare system or for ensuring compliance with the rules of government benefit programs such as Medicare or Medicaid.

- Other regulatory programs that need health information to determine compliance.
- **Research.** We may disclose your PHI for research purposes, but only according to, and as allowed by, law.
- **Compliance with the law.** We may use and disclose your PHI to comply with the law.
- **Judicial and administrative proceedings.** We may disclose your PHI in a judicial or administrative proceeding or in response to a valid legal order.
- **Law enforcement officials.** We may disclose your PHI to the police or other law enforcement officials, as required by law or in compliance with a court order or other process authorized by law.
- **Government functions.** We may disclose your PHI to various departments of the government, such as the U.S. military or the U.S. Department of State, as required by law.
- **Workers' compensation.** We may disclose your PHI when necessary to comply with workers' compensation laws.

Uses of PHI that require your authorization.

Other than for the purposes described above, we must obtain your written authorization to use or disclose your PHI. For example, we will not use your PHI for marketing purposes without your prior written authorization, nor will we give your PHI to a prospective employer without your written authorization.

Uses and disclosure of certain PHI deemed "highly confidential." For certain kinds of PHI, federal and state law may require enhanced privacy protection. This includes PHI that is:

- Maintained in psychotherapy notes.
- About alcohol and drug abuse prevention, treatment, and referral.
- About HIV/AIDS testing, diagnosis, or treatment.
- About venereal and/or communicable disease(s).
- About genetic testing.

We can only disclose this type of specially protected PHI with your prior written authorization except when specifically permitted or required by law.

Authorization cancellation. At any time, you may cancel a written authorization that you previously gave us. When submitted to us in writing, the cancellation will apply to future uses and disclosures of your PHI. It will not affect uses or disclosures made previously, while your authorization was in effect.

Your individual rights

You have the following rights regarding the PHI that Blue Shield creates, obtains, and/or maintains about you:

- **Right to request restrictions.** You may ask us to restrict the way we use and disclose your PHI for treatment, payment, and healthcare operations, as explained in this Notice. We are not required to agree to your restriction requests, but we will consider them carefully.

If we agree to a restriction request, we will abide by it until you request or agree to terminate the restriction. We may also inform you that we are terminating our agreement to a restriction. In that case, the termination will apply only to PHI created or received after we have informed you of the termination.

- **Right to receive confidential communications.** You may ask to receive Blue Shield communications containing PHI by alternative means or at alternative locations. As required by law, and whenever feasible, we will accommodate reasonable requests. We may require that you make your request in writing. If your request involves a minor child, we may ask you to provide legal documentation to support your request.
- **Right to access your PHI.** You may ask to inspect or to receive a copy of certain PHI that we maintain about you in a "designated record set." This includes, for example, records of enrollment, payment, claims adjudication, and case or medical management record systems, and any information we used to make decisions about you. Your request must be in writing. Whenever possible, and as required by law, we will provide you with a copy of your PHI in the form (paper or electronic) and format you request. If you request a copy of your PHI, we may charge you a reasonable, cost-based fee for preparing, copying, and/or mailing it to you. In certain limited circumstances permitted by law, we may deny you access to a portion of your records.
- **Right to amend your records.** You have the right to ask us to correct or amend the PHI that we maintain about you in a designated record set. Your request must be made in writing and explain why you want your PHI amended. If we determine that the PHI is inaccurate or incomplete, we will correct it if permitted by law. If a doctor or healthcare facility created the PHI that you want to change, you should ask them to amend the information.
- **Right to receive an accounting of disclosures.** Upon your written request, we will provide you with a list of the disclosures we have made of your PHI for a specified time period, up to six years prior to the date of your request. However, the list will exclude:
 - Disclosures you have authorized.
 - Disclosures made earlier than six years before the date of your request.
 - Disclosures made for treatment, payment, and healthcare operations purposes, except when required by law.
 - Certain other disclosures that we are allowed by law to exclude from the accounting.

If you request an accounting more than once during any 12-month period, we will charge you a reasonable, cost-based fee for each accounting report after the first one.
- **Right to name a personal representative.** You may name another person to act as your personal representative. Your representative will be allowed access to your PHI, to communicate with the healthcare professionals and facilities providing your care, and to exercise all other HIPAA rights on your behalf. Depending on the authority you grant your representative, he or she may also have authority to make healthcare decisions for you.
- **Right to receive a paper copy of this Notice.** Upon your request, we will provide a paper copy of this Notice, even if you have agreed to receive the Notice electronically. See the "Notice Availability and Duration" section of this Notice.
